

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
1	1	9	AC0199	Brick, unspecified	polychrome	small chunks	
1	1	1	AM1505	Nail, cut or wrought, square		partial head and body	
1	1	40	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan	body	a few pieces have impressions (from lathing?)
1	1	8	AR0103	Shell mortar	white	body	very small
1	1	1	KC0306	Alkaline glazed	buff, brown	body	
1	1	1	KC0700	Whiteware, plain	white	body	slight gray/blue shade, heavy craizing
1	1	1	KC1400	Redware, unidentified, refined	pink	body	tiny sherd, pink paste, worn black glaze?
1	1	4	KF0104	Shell, oyster	white		
1	1	1	KG0227	Bottle, paneled	colorless	body	
1	1	2	KG0231	Bottle, amethyst /Manganese decolorized glass	purple	body	very slight purpling
1	1	1	KG0301	Bottle, colorless bottle glass	colorless	body	
1	1	2	MZ0101	Material, unidentified	black		can write with it like a colored pencil, graphite?
1	2	19	AC0120	Brick, handmade	polychrome	partial	some have flat edges
1	2	1	AG0301	Window glass, sized	light aqua	body	small
1	2	4	AM0699	Nail, cut, fragment			
1	2	11	AM1506	Nail, wire, unidentified, fragment			
1	2	9	AM1507	Nail fragment, unidentified			
1	2	1	AM1602	Large staple			staple
1	2	1	AM1719	Hardware, unidentified	gray	partial	lead alloy, looks like a reinforced leg for something (furnace?)
1	2	1	AM1719	Hardware, unidentified	gray	partial	lead alloy strap, curved
1	2	1	AM1719	Hardware, unidentified	gray	complete?	copper, bent small bracket with attached nut and bolt, on end: "... AHUESTOO"? Letters need magnifying glass to see and not all are distinct.
1	2	1	AM1721	Water pipe metal			partial iron pipe

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
1	2	120	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan and white		tan interior mortar with gray outer (repointing?)
1	2	2	AR0105	Plaster	white	partial	has semi-flat edges on one side
1	2	2	AR0201	Architectural stone	gray	corner	one piece is dressed stone, right angle corner, small; other is not dressed
1	2	2	FM0105	Strap			two different sizes, one is bent, heavily corroded
1	2	1	KC0223	Gray salt glazed	gray	body	probable jar
1	2	2	KC1299	Coarse earthenware, unidentified	pink	body	pink paste without glaze
1	2	1	KC1303	Redware, fine black glazed	black	body	embossed beading detail (potential jackfield?) very small
1	2	6	KF0101	Bone, unidentified	tan	partial	
1	2	2	KF0102	Animal teeth	tan	partial	
1	2	27	KF0104	Shell, oyster	white	whole and partial	
1	2	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	very light purple
1	2	1	KG0299	Bottle, amber/olive green glass	olive	body	
1	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	very thin, heavy patina
1	2	8	KG0301	Bottle, colorless bottle glass	colorless	body	one is embossed with panels
1	2	4	KG0306	Bottle, amber bottle glass	amber	body	one has mold seam, one has embossed letter "T" next letter is maybe an H
1	2	18	MF0107	Coal? Soft and round	black		soft, can write with it, round,
1	2	6	MM9901	Iron fragment, unidentified			thin iron frag (some part of pipe?); additionally, other small pieces of rust, most seem to be broken off larger pieces that are cataloged
1	2	3	MZ0101	Material, unidentified	black		small pieces of asphalt? Roofing? Burned? UID
1	2	4	RM0102	Brass/copper cartridge	green	.22	complete .22 casing, one is extra long

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
1	2	1	ZM0406	Hardware, gray material with copper bolt and nut	gray, green	partial	gray bar of UID material (porous, light) with a copper nut and bolt which secures a broken-off copper bracket
1	3	1	AC0120	Brick, handmade		bat	
1	3	1	AC0120	Brick, handmade	gray	chunk	parallel lines carved on one side?
1	3	11	AC0120	Brick, handmade	polychrome	chunks	large and small chunks, handmade and machine made
1	3	2	AM1506	Nail, wire, unidentified, fragment			
1	3	17	AM1507	Nail fragment, unidentified			
1	3	78	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan/gray	chunks	
1	3	1	AR0201	Architectural stone	gray	chunk	small chunk of stone, same as level 2, has some mortar on it
1	3	2	KC0630	Pearlware, plain	white	body	flatware
1	3	1	KC0631	Pearlware, unidentified decorated	blue	rim	flatware, blue UID underglaze handpainted
1	3	1	KC1295	Coarse earthenware	tan	body	pinkish tan, looks like a salt-glaze outside and no glaze inside
1	3	2	KC1299	Coarse earthenware, unidentified	pink	body	mends with two sherds from Level 2, seems to be round disk about 2" diameter
1	3	2	KF0101	Bone, unidentified	tan		small, one seems heavily weathered
1	3	5	KF0104	Shell, oyster	white		partial and mostly whole
1	3	1	KF0105	Shell, clam or other non-oyster	white		partial
1	3	1	KG0299	Bottle, amber/olive green glass	olive	body	
1	3	3	KG0301	Bottle, colorless bottle glass	colorless	body	
1	3	1	KG0306	Bottle, amber bottle glass	amber	flake	
1	3	1	KG0306	Bottle, amber bottle glass	amber	neck	budware; mold marks to the top that is present, probable crown top
1	3	1	KG0507	Tableware, glass cup/mug	colorless	rim	small cup with embossed lines, decorated
1	3	5	KM0312	Lids, other, metal	rust		partial, probably jar lid
1	3	3	MF0107	Coal? Soft and round	black		
1	3	10	MM9901	Iron fragment, unidentified	rust		small chunks of heavily rusted iron
1	3	1	ZM0406	Hardware, gray material with copper bolt and nut	gray	partial	

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
1	3	1	ZM1306	Finial	gray	whole	shape and size of metal cap on shotgun shell, little knob on top, might be broken off
1	4	7	AM1507	Nail fragment, unidentified			heavily fragmented and heavily rusted; some have wood fragments rusted onto it
1	4	1	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan		
1	4	14	KF0104	Shell, oyster	white	whole and tiny pieces	
1	4	1	KG0299	Bottle, amber/olive green glass	olive	body	
1	4	2	MF0104	Wood, unidentified	brown	small	no indication that these pieces are architectural
1	4	4	MM9901	Iron fragment, unidentified			
1	4	1	TC0103	Tobacco pipe bowl, kaolin, molded	white, gray	bowl, foot, tiny part of stem	linear decoration
1	5	1	AC0120	Brick, handmade	red		very small
1	5	1	AM0699	Nail, cut, fragment			
1	5	3	AM1506	Nail, wire, unidentified, fragment			
1	5	7	AM1507	Nail fragment, unidentified	rust		nails rusted into wood
1	5	1	AM1719	Hardware, unidentified			heavy, blocky
1	5	3	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan		no gray mortar attached
1	5	1	KC3110	Plain ceramic, Native American	tan		rock tempered
1	5	1	MF0102	Charcoal	black		small
1	5	1	MF0104	Wood, unidentified	brown		small
1	5	3	MM9901	Iron fragment, unidentified			
1	5	2	ZF0700	Hose, rubber	gray		garden hose? Pieces mend
1	5W	1	AM0195	Nail, wrought			wall cleanup
1	5W	1	AM1507	Nail fragment, unidentified			wall cleanup

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
1	5W	1	MF0104	Wood, unidentified	brown		wood, no evidence of architecture (wall cleanup)
1	5W	1	MM9901	Iron fragment, unidentified			heavy lump of rust (hardware?)
1	6W	2	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)		one large, one small	wall cleanup
1	6W	1	MF0101	Coal	white		burned, wall cleanup
2	1	5	AC0120	Brick, handmade	polychrome	frags	
2	1	2	AG0301	Window glass, sized	colorless	body	
2	1	49	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan/gray		mostly tan with a little gray on it
2	1	1	AR0103	Shell mortar	white	chunk	cocquina?
2	1	2	KC0630	Pearlware, plain	white	body	two different thicknesses, hollowware
2	1	5	KF0104	Shell, oyster	white	frags	
2	1	2	KG0299	Bottle, amber/olive green glass	olive	body	
2	1	1	KG0306	Bottle, amber bottle glass	amber	base	mold seams, fully machine made
2	1	4	KG0306	Bottle, amber bottle glass	amber	body, neck	mold seams
2	1	2	KG0501	Tableware, probably, clear curved glass	colorless	body	some design, UID
2	1	1	KG0514	Cut glass	colorless	body	possible cup or bowl
2	1	1	MM9901	Iron fragment, unidentified	rust		thin, small piece
2	1	1	RM0102	Brass/copper cartridge	green	.22	three holes punched in end (only one actually goes through)
2	2	7	AC0120	Brick, handmade	red	chunks	mostly similar, mostly large chunks
2	2	18	AC0120	Brick, handmade	polychrome	chunks	mix of old and new
2	2	1	AC0121	Brick, machine made	red	bat	nearly half
2	2	2	AM1101	Nail, wire common			one large, one average size, heavily rusted but complete
2	2	1	AM1721	Water pipe metal			iron pipe ferrule, threaded inside
2	2	122	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan/gray	chunks	

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
2	2	1	KC0110	Porcelain, bone china	white	foot?	no decoration
2	2	1	KC0309	Salt glazed/alkaline glazed	gray/brown	base	salt-glazed outside, alkaline inside
2	2	1	KC0309	Salt glazed/alkaline glazed	cream/brown	body	salt-glazed outside, alkaline inside
2	2	1	KC0609	Creamware, overglazed transfer printed	cream		might be a bird?
2	2	1	KC1295	Coarse earthenware	pink	body	mends to other sherds?
2	2	3	KC1295	Coarse earthenware	pink	body	
2	2	8	KF0104	Shell, oyster	white	partial and nearly whole	
2	2	1	KG0232	Bottle, fine lipping tool finish	amber	finish, neck, shoulders	mends with other body sherds?, oil finish
2	2	3	KG0299	Bottle, amber/olive green glass	olive	body	
2	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
2	2	2	KG0301	Bottle, colorless bottle glass	colorless	body	
2	2	12	KG0306	Bottle, amber bottle glass	amber	body	mends?
2	2	1	KG0502	Tableware, goblet rim	colorless	rim	paneled, small hollowware vessel
2	2	5	KG0514	Cut glass	colorless	body	highly decorative cut glass hollowware, mends? Same pattern
2	2	1	MF0107	Coal? Soft and round	black		
2	2	1	MF0107	Coal? Soft and round	black	small	
2	2	1	MG0102	Glass, melted, unidentified	aqua	body	melted
2	2	19	MM9901	Iron fragment, unidentified			small, mostly flat
2	2	1	MM9902	Metal, non iron/steel, unidentified			very small, very thin, copper alloy
2	2	1	RM0102	Brass/copper cartridge	green	.22	whole
2	2	1	ZG0904	Glass lamp body	colorless	body	
2	2	1	ZM1211	Wire			iron wire, approximately 10"
2	2	1	ZM1307	Sign, metal	gray	whole	metal number, "1"
2	3	1	AC0120	Brick, handmade	red	nearly whole	some mortar on it
2	3	1	AC0120	Brick, handmade	discard		1 kg weigh and discard in field

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
2	3	2	AC0120	Brick, handmade	polychrome	bats	
2	3	8	AC0120	Brick, handmade	polychrome	chunks	
2	3	4	AG0301	Window glass, sized	light aqua, colorless	body	
2	3	11	AM0699	Nail, cut, fragment			
2	3	2	AM1101	Nail, wire common		large	
2	3	7	AM1101	Nail, wire common		average	
2	3	2	AM1199	Nail, wire common, fragment		average, small	
2	3	2	AM1507	Nail fragment, unidentified			
2	3	9	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan		mostly tan, little gray
2	3	37	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	gray	chunks	some are stacked and stuck together, more vegetal material stuck on the gray outside
2	3	6	AR0108	Mortar	discard		6.5 kg weigh and discard in field
2	3	1	CM0220	Button, brass	gray green	whole	shank, (Brass "Bullet" Button)
2	3	1	FC0104	Caster wheel, metal	gray, brown		lead alloy wheel with iron attachment and screw
2	3	1	KC0630	Pearlware, plain	white	base	white
2	3	1	KC0632	Pearlware, underglaze blue floral h.p.	blue	body	blue UID painting
2	3	1	KC0901	Dipped ware, tan, rust, brown, olive, or ochre	green, brown	rim	dipped, banded ware
2	3	1	KF0101	Bone, unidentified	brown		large long bone
2	3	1	KF0101	Bone, unidentified	tan		small, UID
2	3	3	KF0104	Shell, oyster	white	small chunks	
2	3	14	KF0104	Shell, oyster	white	some whole, some partial	
2	3	1	KG0201	Bottle, dip mold blown dark green	olive	base	star pattern on base

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
2	3	1	KG0207	Bottle, embossed letters	amber	body	mold seams, "...T WHISKEY", probably mends with other amber body sherds
2	3	1	KG0227	Bottle, paneled	colorless	body	thin, paneled, unusual
2	3	2	KG0299	Bottle, amber/olive green glass	olive	body	very thin
2	3	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	thin
2	3	1	KG0304	Bottle, aqua bottle glass	aqua	base	probable soda bottle, no visible mold seams, but seems fairly modern
2	3	13	KG0306	Bottle, amber bottle glass	amber	body	mold seams, come probably mend
2	3	1	KG0307	Bottle, blowpipe pontil	light aqua	base	very thin, small bottle (1 1/4 inch base diameter)
2	3	5	KG0514	Cut glass	colorless	body	same pattern as others from this area
2	3	5	MF0102	Charcoal	black		
2	3	1	MG0102	Glass, melted, unidentified	colorless		
2	3	7	MM9901	Iron fragment, unidentified			thin, small, heavily rusted
2	3	25	MZ0101	Material, unidentified	black		thin black, burned?, asphalt roofing?
2	3	1	ZM1211	Wire			very thick, heavy "wire", bent in half, part of a tool?
2	4	1	AC0120	Brick, handmade	gray	bat	Savannah grey
2	4	9	AC0120	Brick, handmade	polychrome	chunks	mixed ages on brick
2	4	19	AM0699	Nail, cut, fragment			
2	4	3	AM1199	Nail, wire common, fragment			
2	4	4	AM1507	Nail fragment, unidentified			
2	4	35	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	gray		more gray, vegetal material attached?
2	4	1	KC0903	Mocha on white body	orange/white	body	tiny bit of dendritic on edge
2	4	1	KC3110	Plain ceramic, Native American	tan	body	possibly cord marked or punctate? Some linear impressions, but more spaced than cordmarked; minor amount of gravel temper
2	4	11	KF0104	Shell, oyster	white	whole and partial	one is slightly gray
2	4	2	KG0299	Bottle, amber/olive green glass	olive	body	

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
2	4	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
2	4	1	KG0301	Bottle, colorless bottle glass	colorless	chip	
2	4	2	KG0306	Bottle, amber bottle glass	amber	body	
2	4	3	MF0102	Charcoal	black		very small
2	4	4	MF0104	Wood, unidentified	brown		has bark, probably root, not architectural
2	4	6	MM9901	Iron fragment, unidentified			small
2	4	9	MM9901	Iron fragment, unidentified			thin, not rusted, small
2	5	1	AC0120	Brick, handmade	gray	chunk	small, Savannah grey
2	5	1	AC0120	Brick, handmade	gray	bat	Savannah grey
2	5	2	AM0699	Nail, cut, fragment			
2	5	1	AM1101	Nail, wire common			large, heavily corroded
2	5	4	AM1507	Nail fragment, unidentified			small, extremely corroded
2	5	2	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	gray/tan		small sherds
2	5	1	KC0632	Pearlware, underglaze blue floral h.p.	white, blue	body	
2	5	4	KF0104	Shell, oyster	white	whole, partial	
2	5	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	square corner?
2	5	6	MF0104	Wood, unidentified	brown		probably not architectural, some bark
2	6	1	AC0120	Brick, handmade	orange		small fragment; fell from wall above, but screened with Level 6
2	6	5	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	gray/tan		large and small; fell from wall above, but screened with Level 6
2	F1	1	AC0120	Brick, handmade	red		very tiny piece
2	F1	1	AG0301	Window glass, sized	colorless		very tiny
2	F1	5	AM0699	Nail, cut, fragment			
2	F1	1	AM1507	Nail fragment, unidentified			
2	F1	4	KC1295	Coarse earthenware	pink	body	traces of black lead glaze? Appears silvery and sparkly, same pink paste as other KC1295
2	F1	1	KC1302	Redware, clear glazed, plain	red	body	impressed/molded lines

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
2	F1	2	KF0104	Shell, oyster	white	partial and nearly whole	
2	F1	1	MM9901	Iron fragment, unidentified			metal cap? Possible button, heavily corroded
2	F1	1	MM9902	Metal, non iron/steel, unidentified			extremely thin
3	1	1	AC0110	Water pipe, ceramic	tan	body	very thick, utility pipe
3	1	1	AC0120	Brick, handmade	red	whole	whole Savannah grey with shell mortar
3	1	2	AC0120	Brick, handmade	red	chunk	small pieces of Savannah grey, one has some shell mortar
3	1	2	AC0120	Brick, handmade	orange	bat	one may be Savannah grey
3	1	4	AC0120	Brick, handmade	red	bat	Savannah greys with shell mortar
3	1	7	AC0120	Brick, handmade	polychrome	chunks	three have some shell mortar, some are Savannah greys
3	1	15	AC0120	Brick, handmade	polychrome	chunks	many have shell mortar attached
3	1	84	AC0120	Brick, handmade	discard		84 lbs. weigh and discard in field
3	1	26	AG0301	Window glass, sized	light aqua		different sizes
3	1	3	AM0699	Nail, cut, fragment			
3	1	2	AM1199	Nail, wire common, fragment			
3	1	1	AM1201	Nail, wire roofing			very big head
3	1	4	AM1507	Nail fragment, unidentified			
3	1	2	AM1602	Large staple			two different sizes
3	1	1	AM1715	Latch/lock mechanism			hook end of hook and eye for door; or swivel latch
3	1	10	AM1730	Roofing tin	brown		small amounts; flat, heavily corroded thin iron; classified as roofing tin because of lower level finds
3	1	1	AR0103	Shell mortar	gray		one burned shell with some mortar on it
3	1	6	AR0103	Shell mortar	gray	chunks	heavier than other mortar-like material
3	1	52	AR0103	Shell mortar	gray		gray shell is very chunky; designated mortar not tabby because found shell mortar attached to brick in same level
3	1	1	AR0105	Plaster	tan, white		tiny sherd, sandy plaster with finished side

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3	1	2	AR0108	Mortar	light gray		two large chunks of mortar? No trace of brick. Seems to be poured, lines from form, finished looking edge, like plaster without whitewashed edge
3	1	2	AR0108	Mortar	tan		
3	1	12	AR0108	Mortar	gray	chunks	strange, light material; seems like mortar
3	1	1	CG0102	Button, glass	white	whole	four-hole; milk glass button; little over 1/2" diameter
3	1	1	KC0110	Porcelain, bone china	white	body	small sherd, thin walls
3	1	1	KC0309	Salt glazed/alkaline glazed	white, brown	base	large, thick, utilitarian ware, hollowware; unglazed, flat base
3	1	1	KC0501	Ironstone, plain blue tinted stone china	white	rim	flatware
3	1	1	KC0620	Cream Colored (C.C.) Ware, plain	cream	base	undecorated, creamy color but really thick for creamware; hollowware
3	1	9	KF0104	Shell, oyster	white	partial, one whole	
3	1	38	KF0104	Shell, oyster	white, gray	whole and partial	a few gray, mostly white
3	1	1	KG0207	Bottle, embossed letters	light aqua	body	embossed letters: "...L..." Possibly also has a "S"
3	1	1	KG0207	Bottle, embossed letters	colorless	body	embossed letters: "...E" possibly NE
3	1	2	KG0210	Bottle, cup bottom mold	amber	base	sherds mend, probably more body sherds will mend as well
3	1	2	KG0227	Bottle, paneled	colorless	body	sherds mend, thin walls
3	1	1	KG0232	Bottle, fine lipping tool finish	colorless	rim	Probable lipping tool finish, small sherd can't be definite, small pharmaceutical bottle
3	1	1	KG0251	Bottle, applied color lable bottle	colorless/blue	body	very thin, colorless glass, blue applied paint
3	1	4	KG0299	Bottle, amber/olive green glass	olive	body	
3	1	1	KG0301	Bottle, colorless bottle glass	colorless/straw	base	thin, small diameter; possible cup bottom mold seam

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3	1	13	KG0301	Bottle, colorless bottle glass	colorless	body	all but four are odd, chunky sherds
3	1	9	KG0306	Bottle, amber bottle glass	amber	body	one is a flake, one is not part of larger bottle that seems to mend
3	1	1	KG0507	Tableware, glass cup/mug	colorless	rim	linear, impressed design (same as TU 1 or 2);
3	1	1	KM0201	Tablespoon, metal	silver/brass	whole	complete, decorative, large tablespoon. Plated copper alloy, maker's mark on back: "Rogers Smith & C. Al" Might be a letter or symbol before Rogers, but too corroded.
3	1	1	MM9902	Metal, non iron/steel, unidentified	gray		very thin copper alloy sheet metal
3	1	1	RM0102	Brass/copper cartridge	green/gray	.22	has "II" on end, long, complete
3	1	1	RR0126	Projectile point	pink	partial	partial serrated, triangular projectile point, has tabby on it
3	1	4	ZG0904	Glass lamp body	colorless	body	
3	1	1	ZM1201	Bolts	brown		large bolt? Heavily corroded, some white metal?
3	2	1	AC0120	Brick, handmade	gray	bat	Savannah grey
3	2	1	AC0120	Brick, handmade	red	bat	
3	2	44	AC0120	Brick, handmade	polychrome	chunks	
3	2	31	AF0107	Wood, architectural			some smells like pine, might be two different kinds of wood present; some seems tp have paint and possibly saw marks
3	2	13	AG0301	Window glass, sized	light aqua		varying thicknesses
3	2	32	AM0699	Nail, cut, fragment			
3	2	3	AM1101	Nail, wire common			
3	2	20	AM1507	Nail fragment, unidentified			
3	2	21	AM1730	Roofing tin			thin, flat, heavily corroded iron; one piece is thicker than the other
3	2	37	AR0103	Shell mortar	gray		large chunks of gray shell in mortar
3	2	14	AR0105	Plaster	gray, white		many have finished side
3	2	2	AR0108	Mortar	gray		seems like more modern mortar than shell mortar, shaped like mortar between brick; in bag with plaster

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3	2	1	CM0302	Buckle	gray		cope hook, good condition, decorative hook for closing a cape used by a monk during a benediction- source: Father Andrew Campbell, Archivist at St. Vincents
3	2	1	KC0398	Lead glazed, unidentified	gray	body	thick, utilitarian ware, clear lead glaze on the outside
3	2	1	KC0632	Pearlware, underglaze blue floral h.p.	blue, white	body	small sherd
3	2	1	KC0700	Whiteware, plain	white	body	flatware, very slightly cream
3	2	54	KF0104	Shell, oyster	white	whole and partial	
3	2	1	KG0207	Bottle, embossed letters	colorless	body	UID letters, small sherd
3	2	1	KG0227	Bottle, paneled	colorless	body	
3	2	5	KG0299	Bottle, amber/olive green glass	olive	body	varying thicknesses, some seems more clear/modern
3	2	1	KG0301	Bottle, colorless bottle glass	colorless	body	
3	2	1	KG0305	Bottle, cobalt blue bottle glass	cobalt	body	tiny sherd
3	2	1	MF0102	Charcoal	black		very small
3	2	1	ZM1211	Wire			small, bent
3	2	2	ZM1247	Screw		partial	
3	3	7	AC0120	Brick, handmade	polychrome	bats	two mend, mostly Savannah greys, one seems much smaller and more modern
3	3	12	AC0120	Brick, handmade	polychrome	chunks	
3	3	25	AF0107	Wood, architectural			seems to be from same wood souce, no pine smell
3	3	82	AG0301	Window glass, sized	light aqua		small minority have straight edges, corners

3	3	1	KM0311	Screw cap/top			very small, heavily corroded fragment
3	3	1	MF0102	Charcoal			small
3	3	1	MM9901	Iron fragment, unidentified			thicker, flat metal
3	3	1	MM9902	Metal, non iron/steel, unidentified	gray		thin metal band; metal cap? White metal
3	3	2	ZG0602	Auto safety glass	light aqua		small, fractured internally, really auto safety glass?
3	3	1	ZM1211	Wire			about 2" long
3	3	2	ZM1212	Screen/mesh			tiny fragments, possible window screen? (right size)
3	3	1	ZM1247	Screw			flat head (not phillips)
3	4	1	AC0120	Brick, handmade	orange	bat	half brick with traces of mortar
3	4	1	AC0120	Brick, handmade	orange	bat	
3	4	10	AC0120	Brick, handmade	polychrome	chunks	
3	4	2	AF0107	Wood, architectural	brown		one piece has right angles
3	4	51	AG0301	Window glass, sized	light aqua		some straight edges (very few)
3	4	25	AM0699	Nail, cut, fragment			
3	4	12	AM1199	Nail, wire common, fragment			
3	4	9	AM1507	Nail fragment, unidentified			one has wood fragments
3	4	6	AR0103	Shell mortar	gray		

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3	4	2	AR0105	Plaster	tan		clay/chalky plaster? Powdery
3	4	13	AR0105	Plaster	gray, white		sand plaster with finished white wall; one piece has a straight edge
3	4	1	AR0108	Mortar	discard		1 kg. weigh and discard in field
3	4	1	KC0700	Whiteware, plain	white	body	flatware
3	4	3	KF0101	Bone, unidentified			small bones (rodent?)
3	4	17	KF0104	Shell, oyster	white		
3	4	3	KF0105	Shell, clam or other non-oyster	white		clam/scallop, small pieces
3	4	1	KG0227	Bottle, paneled	colorless	body	very light purple? May be manganese decolorized
3	4	1	KG0299	Bottle, amber/olive green glass	olive	body	very thin walled
3	4	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
3	4	3	KG0301	Bottle, colorless bottle glass	colorless	body	
3	4	1	KG0306	Bottle, amber bottle glass	amber	flake	
3	4	1	KG0306	Bottle, amber bottle glass	amber	body	
3	4	1	MM9901	Iron fragment, unidentified			small frag of small metal strap
3	4	1	MM9902	Metal, non iron/steel, unidentified	gray		folded lead alloy
3	4	1	MZ0101	Material, unidentified	light yellow		smells slightly pine-y, sap? Beeswax?
3	4	1	RM0102	Brass/copper cartridge	gray	.22	whole .22, on end: "AH/..."
3	4	2	ZG0904	Glass lamp body	colorless	body	one is frosted
3	5	1	AC0120	Brick, handmade	gray	chunk	Savannah grey, small piece
3	5	1	AC0120	Brick, handmade	red/orange	bat	half brick
3	5	1	AF0107	Wood, architectural	brown		has right angles
3	5	31	AG0301	Window glass, sized	light aqua		varying thicknesses, colors, clarity
3	5	11	AM0699	Nail, cut, fragment			
3	5	7	AM1199	Nail, wire common, fragment			
3	5	2	AM1507	Nail fragment, unidentified			
3	5	1	AM1602	Large staple			heavily corroded
3	5	1	AR0103	Shell mortar	gray		
3	5	3	AR0105	Plaster	gray		two have white finished side
3	5	1	AR0108	Mortar	discard		1 lb. weigh and discard in field
3	5	2	FM0113	Bedspring			bed spring, was one piece, but broke in two

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3	5	1	KC0501	Ironstone, plain blue tinted stone china	white	rim	hollowware,
3	5	1	KC0700	Whiteware, plain	white	body	thin walled
3	5	11	KF0104	Shell, oyster	white, gray		one or two are gray
3	5	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	very light purple
3	5	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	paneled, likely pharmaceutical bottle
3	5	1	KG0301	Bottle, colorless bottle glass	colorless	body	
3	5	1	KG0301	Bottle, colorless bottle glass	colorless	body	some embossed lines, very small sherd
3	5	3	KG0306	Bottle, amber bottle glass	amber	body	
3	5	2	MM9901	Iron fragment, unidentified			one is short metal strap
3	5	1	PR0101	Writing slate	gray		very thin (really writing slate?), right angle on one edge; has very fine lines, very small frag,
3	5	1	RR0126	Projectile point	tan		flake? End of projectile point?
3	5	2	ZG0904	Glass lamp body	colorless	body	one is frosted
3	5	1	ZM1247	Screw			partial
3	6	3	AC0120	Brick, handmade	red, gray	chunks, small	
3	6	3	AG0301	Window glass, sized	light aqua

3	6	2	KF0104	Shell, oyster	white	partial	
3	6	1	KF0105	Shell, clam or other non-oyster	white		probably scallop
3	6	2	KG0301	Bottle, colorless bottle glass	colorless		
3	6	1	KG0306	Bottle, amber bottle glass	amber		
3	6	1	KG0506	Tableware, glass bowl, molded	colorless		linear design, hollowware
3	6	1	KM0312	Lids, other, metal		partial	
3	6	3	MM9901	Iron fragment, unidentified			thin, flat metal; could be part of cap or roofing material, small pieces
3	7	8	AC0120	Brick, handmade	gray red	chunks	Savannah greys
3	7	11	AC0120	Brick, handmade	orange red	chunks	not Savannah greys, but probably handmade
3	7	26	AG0301	Window glass, sized	light aqua		
3	7	10	AM0699	Nail, cut, fragment			heavily corroded

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3	7	21	AM1507	Nail fragment, unidentified			seems like most are cut, but too corroded to be sure, heavily corroded
3	7	1	AM1602	Large staple			heavily corroded
3	7	1	AM1715	Latch/lock mechanism			eye end of hook and eye latch, corroded but complete.
3	7	10	AR0103	Shell mortar	gray	chunks	mostly gray, burned shell. Some mortar attached
3	7	31	AR0103	Shell mortar	gray	chunks	sand, shell mortar
3	7	2	AR0105	Plaster	tan	chunks	clay/chalky plaster? Powdery
3	7	19	AR0105	Plaster	white, gray	chunks	
3	7	42	AR0105	Plaster	gray	chunks	plaster without white finish
3	7	1	AR0108	Mortar	tan	chunk	some brick attached, different from others in this unit and level
3	7	1	CF0201	Button, shell	white	whole	large, two-hole shell button, concentric circles/design carve in front, well preserved
3	7	1	CF0201	Button, shell	white, pearly	whole	four whole, very small, pearl button, plain
3	7	1	CF0201	Button, shell	white	whole, mostly	four whole plain shell button, heavily corroded
3	7	1	CF0201	Button, shell	white	whole	four hole, 1/4" diameter, fair condition, partially degraded
3	7	1	CF0201	Button, shell	white	whole	four hole, 3/8" diameter, good condition
3	7	1	CF0201	Button, shell	white	whole	two hole button, 3/4" diameter, good condition, concentric circles
3	7	1	CM0220	Button, brass	green, brown	whole	shank button, brass front with iron back and shank, iron is in poor condition,
3	7	1	CM0220	Button, brass	green, gray	whole	copper front, shank button, rounded front which is plain, iron back which is heavily corroded
3	7	1	CM0303	Eyelet	gray		small, possibly from a shoe
3	7	1	CM0303	Eyelet	gray	partial	prongs are broken, white metal
3	7	2	KC0501	Ironstone, plain blue tinted stone china	white	body	very craized, thin for Ironstone
3	7	8	KF0101	Bone, unidentified	tan		variety of sizes

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3	7	34	KF0104	Shell, oyster	white	whole and partial	many are in good shape and not corroded
3	7	1	KG0217	Bottle, post bottom mold bottle glass	amber	base	full base, embossed letter on base: "WF&S/2/MIL", Northern Glass Works, 1896-1900
3	7	1	KG0299	Bottle, amber/olive green glass	olive	body	
3	7	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
3	7	3	KG0301	Bottle, colorless bottle glass	colorless	body	
3	7	1	KG0306	Bottle, amber bottle glass	amber	base	partial base
3	7	2	KG0306	Bottle, amber bottle glass	amber, light	body	
3	7	1	KG0501	Tableware, probably, clear curved glass	colorless	body	etched/frosted thin linear design
3	7	1	KM0210	Table knife, metal		partial	end is missing, tang is intact. No bone/wood handle.
3	7	1	MM9901	Iron fragment, unidentified	brown, gray		small, curved; potentially a small piece of lead alloy jar lid for a mason jar
3	7	3	MM9901	Iron fragment, unidentified			thin, flat metal
3	7	6	ZG0904	Glass lamp body	colorless	body	
3	7	1	ZR2420	Flake, unspecialized >50% cortex	tan, brown		lots of cortex, chert

4	3	1	MF0203	Rubber, unidentified	dark gray		UID synthetic or rubber, possible button or shoe part.
4	3	2	RM0101	Percussion cap	gray	whole	pistol percussion caps
4	3	1	RM0102	Brass/copper cartridge	gray	.32? .45?	embossed on bottom: "U.M.C./S H/ 45-70"
4	3	1	RM0102	Brass/copper cartridge	gray	.22	short cartridge, stamped on bottom: "U"
4	3	1	ZG0904	Glass lamp body	colorless	rim	base of chimney?
4	3	2	ZG0904	Glass lamp body	colorless	body	
4	3	3	ZM0703	Reed plate, harmonica	gray	partial	white metal (seems like a lead alloy), interior parts of a harmonica, some are more corroded than others
4	3	1	ZM1247	Screw			heavily corroded
4	3	1	ZR2421	Flake, unspecialized <50% cortex	gray, white		
4	4	9	AC0120	Brick, handmade	polychrome	chunks	
4	4	38	AF0107	Wood, architectural	brown		6 pieces seem to have blue and/or white paint, one or two pieces have definite cut edges
4	4	2	AG0301	Window glass, sized	light aqua	rim	two sherds mend, beveled edge, fancy window glass?
4	4	42	AG0301	Window glass, sized	light aqua, colorless	rim	some right angles, some straight edges, one curved
4	4	439	AG0301	Window glass, sized	light aqua, colorless	body	
4	4	9	AM0601	Nail, cut			heavily corroded
4	4	54	AM0699	Nail, cut, fragment			all but one is heavily corroded
4	4	8	AM1101	Nail, wire common			heavily corroded
4	4	42	AM1507	Nail fragment, unidentified			heavily corroded
4	4	1	AM1719	Hardware, unidentified			iron strap with edges, like a cap
4	4	1	AM1719	Hardware, unidentified	gray		lead alloy
4	4	2	AM1730	Roofing tin			thin sheets or iron, one is folded, each piece has metal screen,
4	4	2	AM1730	Roofing tin			small pieces with white, chalky material attached (mortar? Plaster?)
4	4	3	AM1730	Roofing tin			large piece of roofing metal

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
4	4	7	AM1730	Roofing tin			large pieces; one light have a round area cut out; at least one seems to be an edge with places for nails
4	4	66	AM1730	Roofing tin			thin sheets of iron, heavily corroded, very fragmented, some have right angles with folded metal seams
4	4	2	AR0105	Plaster	discard		2 lbs. weigh and discard in field
4	4	3	AR0105	Plaster	gray		sand plaster without white finished edge
4	4	5	AR0105	Plaster	gray, brown		clay/chalky plaster? Powdery, with sheet metal attached (roofing material)
4	4	5	AR0105	Plaster	gray, white		strange composite, one piece has sheet iron attached
4	4	7	AR0105	Plaster	gray		clay/chalky plaster? Powdery
4	4	13	AR0105	Plaster	white, gray		
4	4	2	AR0108	Mortar	gray		small pieces, UID mortar
4	4	1	FC0104	Caster wheel, metal	gray		lead alloy, metal bracket that holds wheel
4	4	1	FM0111	Escutcheon plate	gray		oval with circle hole at center, something round was screwed on top of the plate, thin copper/aluminum alloy, simple,
4	4	1	FM0199	Furniture part, unidentified, metal	gray and brown		iron and copper alloy, finial and iron strap
4	4	1	FM0199	Furniture part, unidentified, metal	gray and brown		copper and iron hardware, delicate with some engraved design, and threading
4	4	1	KC0700	Whiteware, plain	white	body	large pits missing, iron stained
4	4	1	KC2209	Sprig painted wares	polychrome	rim	annular design around rim and some sprig, hollowware
4	4	1	KC2805	Yellowware, embossed/molded	yellow, blue	body	blue line (annular), molded annular design, thick walled, larger vessel
4	4	1	KF0101	Bone, unidentified	tan		thin, UID
4	4	2	KF0102	Animal teeth	tan, white		large molar and small canine in a piece of jaw
4	4	2	KF0104	Shell, oyster	iridescent		pearl from oyster? Mussel?

4	5	2	KG0301	Bottle, colorless bottle glass	colorless	body	thin walled bottle, cup, or thick walled chimney lamp glass?
4	5	3	KG0301	Bottle, colorless bottle glass	colorless	body	thick walled
4	5	1	KG0305	Bottle, cobalt blue bottle glass	teal	body	thick walled, small sherd
4	5	1	KG0306	Bottle, amber bottle glass	amber	body	
4	5	1	KG0306	Bottle, amber bottle glass	amber	base?	no mold marks
4	5	1	KG0501	Tableware, probably, clear curved glass	colorless	body	linear embossed design, similar to sherds in TU4, L3 or 4
4	5	1	KG0501	Tableware, probably, clear curved glass	colorless	body	star etched on it
4	5	1	KM0102	Enameled tinware	brown, gray	whole	small pot with small portion of broken off handle
4	5	3	KM0306	Can, metal			thin metal, round edge, small diameter on can
4	5	8	MF0102	Charcoal	black		
4	5	1	MG0102	Glass, melted, unidentified	colorless		
4	5	1	MM9901	Iron fragment, unidentified	gray		small, metal (?) strip, looks molded, broken end, notches, UID
4	5	4	MM9901	Iron fragment, unidentified			very small, heavily corroded
4	5	3	RM0101	Percussion cap	gray		two rifle (one is partial) and one pistol percussion caps
4	5	2	ZM1211	Wire			heavily corroded, very small pieces
4	6	2	AC0120	Brick, handmade	polychrome	chunks	
4	6	42	AG0301	Window glass, sized	light aqua and colorless		
4	6	4	AM1507	Nail fragment, unidentified			
4	6	1	AM1719	Hardware, unidentified			flat iron strip, heavily corroded. Broken on both ends,
4	6	1	AM1719	Hardware, unidentified			right angle on metal strip
4	6	1	AM1730	Roofing tin			very small piece, not corroded
4	6	2	AR0105	Plaster	gray, white	chunks	thin sand mortar, white finish
4	6	1	AR0108	Mortar	gray, white	chunk	strange light weight mortar

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
4	6	2	CM0308	Hook and eye	gray		both partial, one hook, one eye, big, do not match. Doesn't look traditional this is a best guess
4	6	1	KC0110	Porcelain, bone china	white	rim	flatware, scalloped rim, no decoration
4	6	3	KC4003	Cordmarked ceramic	red, brown		gravel tempered, design is very worn (probably cord marked), Three sherds mend, probably a fresh break
4	6	26	KF0104	Shell, oyster	white	partial, one whole	
4	6	1	KF0105	Shell, clam or other non-oyster	white	partial	scallop
4	6	1	KG0301	Bottle, colorless bottle glass	colorless	body

4	8	1	KF0104	Shell, oyster	gray	partial	no traces of mortar
4	8	4	KF0104	Shell, oyster	white	partial	
4	8	1	KG0210	Bottle, cup bottom mold	amber	base	can only see the mold mark around the base, not up the side to confirm a cup bottom mold, beer bottle size,
4	8	1	KG0227	Bottle, paneled	colorless	body	frosted, very thin walled
4	8	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	can see mold seam up and down body
4	8	1	MM9901	Iron fragment, unidentified			thin, rusted, curved metal; possibly part of a pipe?
4	8	2	MM9901	Iron fragment, unidentified			UID frags
4	hurricane cleanup	1	AC0120	Brick, handmade	red brown	chunk	small
4	hurricane cleanup	16	AG0301	Window glass, sized	light aqua, colorless	body	
4	hurricane cleanup	6	AM0699	Nail, cut, fragment			
4	hurricane cleanup	1	AM1101	Nail, wire common			
4	hurricane cleanup	1	AR0105	Plaster	gray		no finished surface
4	hurricane cleanup	5	KG0300	Bottle, light aqua bottle glass	light aqua	body	look like they could be from the same bottle
5	1	1	AC0120	Brick, handmade	orange	bat	half brick with mortar on two sides
5	1	1	AC0120	Brick, handmade	red, orange	pier	seems to be four bricks mortared together, brick pier
5	1	1	AC0120	Brick, handmade	brown	chunk	small chunk of brick with mortar on two sides
5	1	3	AC0120	Brick, handmade	red	bat	nearly whole Savannah grey with traces of mortar
5	1	34	AC0120	Brick, handmade	polychrome	chunks	23 chunks do not have mortar; 11 have traces of mortar

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	1	66	AC0120	Brick, handmade	discard		65.5 kg weigh and discard in field (brick, stone, M/P all checked on field form), apparently not distinguished
5	1	2	AG0301	Window glass, sized	light aqua	rim	one straight edge, one corner
5	1	72	AG0301	Window glass, sized	light aqua, colorless	body	one has iron rusted onto it
5	1	13	AM0601	Nail, cut			heavily corroded
5	1	92	AM0699	Nail, cut, fragment			heavily corroded, one has a piece of window glass rusted into it
5	1	16	AM1101	Nail, wire common			heavily corroded
5	1	22	AM1199	Nail, wire common, fragment			heavily corroded
5	1	60	AM1507	Nail fragment, unidentified			heavily corroded, one has a piece of window glass rusted onto it
5	1	1	AM1721	Water pipe metal	brown		metal pipe, heavily corroded; threaded junction has pipe at right angle
5	1	108	AM1730	Roofing tin			small sherds
5	1	1	AR0108	Mortar	gray		large chunk of mortar, no clear evidence of brick
5	1	1	AR0108	Mortar	gray	chunk	half mortar, half brick
5	1	2	AR0108	Mortar	gray		sand mortar, large pieces with some brick in it
5	1	15	AR0108	Mortar	gray	chunks	lighter in color and weight than other type of mortar; a little more like the plaster, but not quite and no flat surfaces
5	1	34	AR0108	Mortar	gray	chunks	slightly different than other mortar, heavier; has a few small pieces of brick attached, some piece are pretty chunky
5	1	5	CF0701	Shoe part, rubber	gray		heel and upper, three very small pieces; extremely worn and smooth
5	1	1	CM0303	Eyelet	gray	whole, nearly	eyelet for a shoe? Only missing one prong
5	1	1	KC0501	Ironstone, plain blue tinted stone china	white	base	hollowware, possible tea cup or small bowl, base is molded/paneled
5	1	1	KC0501	Ironstone, plain blue tinted stone china	white	handle	teaware

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	1	1	KC0604	Creamware, plain	cream	body	flatware
5	1	1	KC0902	Dipped ware, blue and simple banded	blue, white, brown	rim	hollowware
5	1	1	KF0101	Bone, unidentified	tan		long bone, seems to be hollow, bigger bird?
5	1	10	KF0104	Shell, oyster	white	partial and whole	
5	1	1	KG0239	Bottle, crown cap finish	bright green	finish	fully machine made, full mold marks present
5	1	2	KG0300	Bottle, light aqua bottle glass	light aqua	body	
5	1	14	KG0301	Bottle, colorless bottle glass	colorless	body	most a thin walled
5	1	9	KG0303	Bottle, light green bottle glass	bright green	body	7-up green
5	1	2	KG0304	Bottle, aqua bottle glass	aqua	body	
5	1	8	KG0306	Bottle, amber bottle glass	amber	body	
5	1	1	KG0309	Bottle, glass pontil	olive	base	small bottle with angled corners (square or rectangular base), heavily scratched
5	1	45	MF0102	Charcoal	black		chunks of thoroughly burned wood
5	1	4	MF0104	Wood, unidentified	brown		unburned wood, no diagnostic marks to determine if architectural
5	1	12	MF0104	Wood, unidentified	brown, black		partially burned wood, some is chunky like the charcoal from the same layer, some are longer pieces like the unburned wood
5	1	7	ZG0904	Glass lamp body	colorless	body	4 very thin walled sherds, 3 thicker-walled sherds that are scratched, patinaed, and have iron rust staining
5	1	1	ZM0111	Sieve	brown		small fragment of a sieve, large-ish holes
5	1	1	ZM1204	Washer	gray	whole	small copper washer, bent a little - looks like it had a screw on the inside
5	1	2	ZM1301	Cast iron, unidentified	brown		pieces mend, looks like a fresh break, flat cast iron, heavy, UID function
5	1	2	ZM1301	Cast iron, unidentified			two frags mend, probable fresh break, flat cast iron, similar to other piece, heavy
5	2	4	AC0120	Brick, handmade	red brown	chunks	traces of mortar on three, possible Savannah greys

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	2	23	AC0120	Brick, handmade	discard		3 kgs chunks of brick, 19.5 kgs whole brick weigh and discard in field
5	2	1	AF0107	Wood, architectural	brown		small wood fragment with nail through it. Nail looks like a small cut nail
5	2	4	AG0301	Window glass, sized	light aqua	rim	three straight edges, one corner
5	2	230	AG0301	Window glass, sized	light aqua, colorless	body	
5	2	2	AM0601	Nail, cut	green		copper
5	2	36	AM0699	Nail, cut, fragment			heavily corroded
5	2	1	AM1101	Nail, wire common			heavily corroded
5	2	2	AM1199	Nail, wire common, fragment			heavily corroded
5	2	31	AM1507	Nail fragment, unidentified			heavily corroded
5	2	40	AM1730	Roofing tin			small sherds, one piece seems to have a nail (UID) rusted to it
5	2	2	AR0105	Plaster	gray		mortar? No finished edge
5	2	1	AR0108	Mortar	white		small chunk- mortar? Plaster? UID
5	2	4	AR0108	Mortar	gray	chunks	sand mortar, small chunks
5	2	5	AR0108	Mortar	discard		5 kgs weigh and discard in field
5	2	5	CF0701	Shoe part, rubber	gray		large frag mends with heel in level 1, one sherd is darker probably part of other shoe
5	2	1	CM0301	Suspender part, brass	gray/tan	whole	possible suspender snap, has teeth and hook
5	2	6	CM0303	Eyelet	gray		small, fair condition, mostly whole, matches ones found in TU5, L1
5	2	1	KC0401	Ginger beer stoneware bottle	brown/orange	body	
5	2	1	KC0501	Ironstone, plain blue tinted stone china	white	body	large diameter hollowware
5	2	1	KC0504	Ironstone or White granite, molded/embossed	white	rim	UID molded decoration on edge, flatware
5	2	1	KC0507	Ironstone, Polychrome	white, polychrome	rim	handpainted polychrome on highly vitrified Ironstone base, hollowware, tea cup- can see where handle is broken off
5	2	2	KC0630	Pearlware, plain	white	base	hollowware

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	2	1	KC0699	White-Bodied Ceramic, unidentified	gray	body	hollowware, lightly burned?
5	2	1	KC0700	Whiteware, plain	white	body	flake shaped sherd
5	2	1	KC0902	Dipped ware, blue and simple banded	blue, white, brown	body	annular, hollowware
5	2	1	KC0902	Dipped ware, blue and simple banded	blue, white, brown	rim	annular, hollowware
5	2	1	KC3802	Indeterminate decorated ceramic	brown	body	possibly cord-marked, probably sand tempered, small sherd
5	2	1	KC9902	Burned ceramic body, unidentified	gray		lightly burned, hollowware, molded edge, possibly whiteware or Ironstone, tiny bit of blue decoration on outside
5	2	16	KF0101	Bone, unidentified	tan		a few are burned, small and fragmentary or small bones
5	2	4	KF0102	Animal teeth	tan		tooth and three partial teeth
5	2	41	KF0104	Shell, oyster	white	whole and partial	
5	2	1	KF0105	Shell, clam or other non-oyster	white	partial	clam
5	2	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	rim	ground finish, jar
5	2	2	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	rim	ground finish, appear to be from same bottle, embossed letters in a circle: "...Z"
5	2	8	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	very light purple
5	2	18	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	embossed letters: "DIET..." Mends to rim sherd to make the word "DIETZ" in a circle, DIETZ Junior lamp glass, very light purple
5	2	1	KG0239	Bottle, crown cap finish	colorless	whole	soda bottle, "St. James Beverage Co./ SAVANNAH GA/ CONTENTS 9 3/4 Oz." embossed body decorations, fully machine made, ca. 1918-1920
5	2	1	KG0243	Bottle, Owen's scar bottle	bright green	base	embossed letters on bottom of side, might be "+ J...A" top half of letter missing

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	2	1	KG0252	Bottle, continuous thread finish, machine made	colorless	rim	jar, fully machine made
5	2	1	KG0253	Bottle, applied finish	colorless	rim, neck, partial shoulders	continuous thread finish
5	2	5	KG0256	Bottle, capseat finish	colorless	rim	possible applied color label (red), slightly melted, milk bottle?
5	2	4	KG0300	Bottle, light aqua bottle glass	light aqua	body	
5	2	1	KG0301	Bottle, colorless bottle glass	colorless	rim	UID, possible tableware, but too small to determine
5	2	1	KG0301	Bottle, colorless bottle glass	colorless	base	
5	2	5	KG0301	Bottle, colorless bottle glass	colorless	body	possible applied color label (red), seems to match capseat finish sherds
5	2	14	KG0301	Bottle, colorless bottle glass	colorless	body	
5	2	29	KG0301	Bottle, colorless bottle glass	colorless	body	thin walled bottle glass
5	2	11	KG0303	Bottle, light green bottle glass	bright green	body	
5	2	13	KG0304	Bottle, aqua bottle glass	aqua	body	
5	2	7	KG0306	Bottle, amber bottle glass	amber	body	
5	2	2	KG0404	Glass bottle stopper	aqua		sherds mend, nearly whole.
5	2	4	KG0501	Tableware, probably, clear curved glass	colorless	body	paneled cup?
5	2	1	KG0514	Cut glass	colorless	body	worn, has patina
5	2	2	KM0301	Crown cap	brown		could be from the same cap; heavily corroded
5	2	2	KM0312	Lids, other, metal	brown		possible iron cap
5	2	7	MF0102	Charcoal	black		
5	2	1	MF0104	Wood, unidentified	brown, black		small piece of burned wood
5	2	1	MM9901	Iron fragment, unidentified	brown		UID item, barbell shaped- long, thin bar with knob ends; bent but bend probably isn't original
5	2	2	MM9901	Iron fragment, unidentified			
5	2	9	MM9901	Iron fragment, unidentified	brown		small UID rust, probably too small to x-ray
5	2	1	MM9902	Metal, non iron/steel, unidentified	gray		thin, relatively flat metal, white metal, small

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	2	1	MZ0101	Material, unidentified	black		small piece, smells like asphalt
5	2	1	MZ0101	Material, unidentified	black		asphalt? Coal related?
5	2	1	PR0101	Writing slate	gray		thin, small piece of slate
5	2	1	RM0102	Brass/copper cartridge	gray	.22	
5	2	1	RM0102	Brass/copper cartridge		.32	embossed on end: "S&W/32"
5	2	2	RM0102	Brass/copper cartridge	gray	.32	whole
5	2	1	RM0104	Minie ball	gray		tiny caliber, intact, probably not fired
5	2	1	TC0215	Tobacco pipestem, kaolin, unidentified size	white		stem, can measure once we get drill bits
5	2	4	ZF0700	Hose, rubber	gray		small fragments
5	2	1	ZG0100	Thermometer tube	colorless	partial	not perfectly round- handblown? Probable thermometer, possible lab equipment
5	2	4	ZG0903	Chimney globe, crimped edge, machine made	colorless	rim	
5	2	23	ZG0904	Glass lamp body	colorless	body	some are thicker, most are thinner, one is melted
5	2	1	ZM1201	Bolts			large, heavy bolt, square top
5	2	20	ZM1205	Rivet	green		copper, nearly all whole, little corrosion, two are larger/thicker than the others and two are slightly smaller than others
5	2	2	ZM1208	Iron flat strip			thin, small, one tapers slightly
5	2	1	ZM1247	Screw			heavily corroded
5	2	1	ZM1247	Screw	gray		straight head, very little corrosion
5	2	2	ZM1247	Screw	brown		heavily corroded, fair condition
5	2	3	ZM1247	Screw	gray		not corroded
5	2	1	ZR2411	Flake, thinning <50% cortex	pink		smooth, pink chert
5	3	1	AC0110	Water pipe, ceramic	red		seems to have traces of mortar on it
5	3	2	AC0120	Brick, handmade	polychrome	chunks	one has traces of mortar
5	3	3	AC0120	Brick, handmade	discard		3 kg weigh and discard in field
5	3	1	AG0301	Window glass, sized	light aqua	rim	has white residue in pattern of screening, is not perpendicular/parallel to the glass edges, residue is powdery to the touch
5	3	47	AG0301	Window glass, sized	colorless, aqua	body	one piece has traces of white residue in grid pattern similar to screening

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	3	2	AM0601	Nail, cut			
5	3	14	AM0699	Nail, cut, fragment			
5	3	3	AM1101	Nail, wire common			
5	3	3	AM1199	Nail, wire common, fragment			
5	3	4	AM1507	Nail fragment, unidentified			
5	3	2	AM1730	Roofing tin			small pieces
5	3	1	AR0108	Mortar	gray		sand mortar
5	3	2	AR0108	Mortar	discard		1.5 kg weigh and discard in field
5	3	1	AR0110	Tabby	white, gray		possible tabby? Two whole oyster shells with mortar-like substance surrounding then. Seems like light-weight mortar found elsewhere.
5	3	1	CF0701	Shoe part, rubber	gray		small piece, matches other light gray shoe parts from higher in unit
5	3	1	KC0110	Porcelain, bone china	white	rim	hollowware,
5	3	1	KC0501	Ironstone, plain blue tinted stone china	white	body	possible thick whiteware?
5	3	1	KC0501	Ironstone, plain blue tinted stone china	white	base	hollowware, slight blue cast
5	3	1	KC0700	Whiteware, plain	white	body	very small sherd, relatively thin walled
5	3	1	KC0705	Edgeware, scalloped, rim impressed, straight	green, white body	rim	flatware
5	3	1	KC2206	Polychrome painted, large floral	green on white	body	best guess for decoration- small sherd
5	3	1	KC2206	Polychrome painted, large floral	brown on white	body	looks like pearlware, best guess for decoration- small sherd
5	3	2	KF0101	Bone, unidentified	tan		
5	3	16	KF0104	Shell, oyster	white	partial, one whole	
5	3	2	KG0299	Bottle, amber/olive green glass	olive	neck, body	this piece mends with a sherd in the next or previous level
5	3	7	KG0301	Bottle, colorless bottle glass	colorless	body	very light purple (possibly mend with bottle in TU5 L2?)

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	3	11	KG0301	Bottle, colorless bottle glass	colorless	body	some are straw tinted
5	3	1	KG0303	Bottle, light green bottle glass	bright green	body	
5	3	7	KG0304	Bottle, aqua bottle glass	aqua	body	
5	3	2	KG0306	Bottle, amber bottle glass	amber	body	one sherd is heavily cracked
5	3	2	KG0501	Tableware, probably, clear curved glass	colorless	body	thin walled
5	3	1	MF0101	Coal	black		small piece of coal
5	3	1	MM9901	Iron fragment, unidentified			different than others- looks like brick, but seems to be sand rusted onto metal?
5	3	1	MM9901	Iron fragment, unidentified			flat, medium-thick iron, UID
5	3	2	MM9901	Iron fragment, unidentified			two pieces mend; round edge; small can or metal lid?
5	3	1	RM0102	Brass/copper cartridge	gray	.32	some letters on the end, but unreadable without a magnifying glass
5	3	7	ZG0904	Glass lamp body	colorless	body	
5	3	1	ZM1205	Rivet	gray		copper rivet, similar to ones in higher levels
5	3	1	ZM1208	Iron flat strip			thin, narrow iron strip; end is folded over a few times- roofing tin?
5	3	1	ZM1247	Screw	gray		straight head
5	4	2	AC0120	Brick, handmade	brown red	chunk	probable Savannah greys, but small chunks
5	4	8	AG0301	Window glass, sized	light aqua	body	
5	4	6	AM0699	Nail, cut, fragment			
5	4	1	AM1507	Nail fragment, unidentified			
5	4	2	AM1730	Roofing tin			very small pieces
5	4	1	AR0105	Plaster	white, gray	body	gray sand mortar with white finished edge
5	4	1	AR0108	Mortar	gray	chunk	looks like the mortar (tabby?) attached to shells in TU5 L3
5	4	1	KC0504	Ironstone or White granite, molded/embossed	white	rim	hollowware, probably a cup/mug, paneled
5	4	1	KC2203	Polychrome painted, early	polychrome	body	brown and yellow linear design, pearlware base
5	4	2	KF0104	Shell, oyster	white	partial and whole	

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	4	1	KG0253	Bottle, applied finish	olive	finish, neck	mineral finish, mends with neck in TU5 L3
5	4	2	KM0306	Can, metal	brown		
5	4	2	MF0102	Charcoal	black	chunk	
5	4	1	RM0113	Bullet	gray		rifle bullet, not minie ball; seems poorly made, tip is broken/smooshed
5	4	1	ZG0904	Glass lamp body	colorless	body	
5	4	1	ZM1208	Iron flat strip			thin and narrow iron strip
5	5	2	AG0301	Window glass, sized	light aqua		small fragments
5	5	1	AM0699	Nail, cut, fragment			heavily corroded with sand attached
5	5	1	AR0108	Mortar	gray	chunk	mortar and tabby (?) attached to each other- looks like the potential tabby attached to the two whole shells found in a level above
5	5	7	AR0108	Mortar	gray	chunks	small chunks, sand mortar
5	5	2	KC3110	Plain ceramic, Native American	red brown, black brown	body	sand and small amounts of rock tempered; two different vessels probably
5	5	1	KC4003	Cordmarked ceramic	tan	body	seems to have mortar or tabby attached to it on two sides; probably a different vessel from the other two
5	5	5	KF0104	Shell, oyster	white	partial, one whole	one is discolored and black, possibly burned?
5	5	4	MF0104	Wood, unidentified	brown		small pieces of wood, some may be bark; probably not architectural
5	5	1	RM0102	Brass/copper cartridge	gray	.22	some corrosion, slightly dented, a UID mark on the end
5	6	2	AC0120	Brick, handmade	red, orange	chunks	one piece has mortar on it
5	6	2	AG0301	Window glass, sized	light aqua	body	
5	6	9	AR0108	Mortar	gray	chunks	small chunks
5	6	7	KF0104	Shell, oyster	white	partial	
5	6	1	KF0105	Shell, clam or other non-oyster	white	partial	clam
5	6	5	KG0301	Bottle, colorless bottle glass	colorless	body	small sherds

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	6	2	MZ0101	Material, unidentified	white		small chunk of chalky white stuff, may be a thick piece of decaying shell; second one is less chalky
5	6	1	ZG0904	Glass lamp body	colorless	body	
5	6	1	ZR2412	Flake, thinning 0% cortex	light tan		
5	6	1	ZR2802	Biface fragment	pink/tan		seems like the tip of an unfinished projectile point
5	7	1	AC0120	Brick, handmade	red	chunk	very small chunk, has mortar on it
5	7	1	AG0301	Window glass, sized	light aqua	body	small sherd
5	7	4	AM1507	Nail fragment, unidentified	brown		three have wood attached, heavily corroded
5	7	1	AR0108	Mortar	gray, red	chunk	has some brick on it, gray sand mortar
5	7	2	AR0108	Mortar	light tan	chunk	small, chalky chunks of mortar? Plaster?
5	7	1	KF0101	Bone, unidentified	tan		small fragment
5	7	15	KF0104	Shell, oyster	white	partial	very small pieces
5	7	1	MZ0101	Material, unidentified	polychrome	chunk	small chunk of slag? Cocquina?
5	7	2	ZR2412	Flake, thinning 0% cortex	light tan		very small flakes
5	wall clean up	4	AC0120	Brick, handmade	polychrome	chunks	two have mortar attached
5	wall clean up	10	AG0301	Window glass, sized	light aqua	body	
5	wall clean up	5	AM0699	Nail, cut, fragment	brown		various sizes, heavily corroded
5	wall clean up	2	AM1504	Nail, unidentified	brown	whole	whole nails, UID type, possibly cut, some wood attached, heavily corroded
5	wall clean up	2	AM1507	Nail fragment, unidentified	brown		very small, heavily corroded
5	wall clean up	6	AM1730	Roofing tin	brown		small pieces of flat, heavily corroded metal
5	wall clean up	1	AR0105	Plaster	white, gray	chunks	sand mortar with finished white edge
5	wall clean up	2	AR0105	Plaster	gray	chunks	looks like sand mortar without finished edge
5	wall clean up	2	AR0108	Mortar	gray	chunks	gray sand mortar

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
5	wall clean up	1	KF0104	Shell, oyster	white	partial	
5	wall clean up	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	rim	probable ground finish, large diameter opening, jar?
5	wall clean up	5	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	looks like very light purple glass from previous levels- check for mends
5	wall clean up	3	KG0301	Bottle, colorless bottle glass	colorless	body	
5	wall clean up	2	KG0304	Bottle, aqua bottle glass	aqua	body	
5	wall clean up	2	MF0104	Wood, unidentified	brown, black		small chunks of wood/bark; differing levels of burnt
5	wall clean up	1	ZG0904	Glass lamp body	colorless	body	
5	wall clean up	1	ZM1247	Screw	gray	whole	straight, not corroded, copper alloy
5	wall cleanup	1	KC2307	Transfer print, stippled, blue underglaze	blue	body	tiny sherd, no glaze on back
6	1	1	AC0120	Brick, handmade	red	bat	small bat, Savannah grey
6	1	1	AC0120	Brick, handmade	red	chunk	Savannah grey
6	1	1	AC0120	Brick, handmade	orange	chunk	
6	1	1	AC0120	Brick, handmade	red, gray	bat	Savannah grey (nearly whole), lots of mortar attached, void/space where a pipe or rebar used to be, also has a nail embedded in mortar
6	1	1	AC0120	Brick, handmade	gray	bat	Savannah grey with sand mortar
6	1	1	AC0120	Brick, handmade	orange	bat	half brick, some gray mortar attached
6	1	4	AC0120	Brick, handmade	gray	chunks	two chunks have mortar, two don't
6	1	10	AC0120	Brick, handmade	polychrome	chunks	small chunks, two have small amount of mortar attached; several different types of brick present
6	1	29	AC0120	Brick, handmade	discard		29.25 kg weigh and discard in field
6	1	1	AF0105	Asphalt	black	chunk	piece of asphalt?
6	1	24	AF0107	Wood, architectural	brown, black		partially burned chunks of wood. Guessing it's architectural, but no distinctive features

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
6	1	4	AG0301	Window glass, sized	colorless, light aqua	body	
6	1	3	AM0601	Nail, cut	brown	whole	fair condition
6	1	12	AM0699	Nail, cut, fragment	brown	partial	heavily corroded
6	1	10	AM1101	Nail, wire common	brown	whole	heavily corroded
6	1	5	AM1199	Nail, wire common, fragment	brown	partial	heavily corroded
6	1	17	AM1507	Nail fragment, unidentified			heavily corroded, one has a huge head
6	1	5	AR0104	Concrete	gray		one piece has some brick and mortar on it, large pieces
6	1	7	AR0104	Concrete	gray	chunk	concrete poured on ground; odd shape
6	1	18	AR0104	Concrete	discard		18 kg weigh and discard in field
6	1	1	AR0108	Mortar	discard		1.5 kg weigh and discard in field
6	1	15	AR0108	Mortar	tan		
6	1	44	FM0113	Bedspring	brown	fragments	heavily corroded, from the intact bed frame
6	1	1	KC0501	Ironstone, plain blue tinted stone china	white	body	
6	1	6	KF0104	Shell, oyster	white	whole, partial	one has small amounts of mortar/tabby on it; another has iron staining on it
6	1	1	KG0210	Bottle, cup bottom mold	amber	base	embossed letters along bottom of body: "...21 S..."
6	1	1	KG0299	Bottle, amber/olive green glass	olive	body	heavily scratched
6	1	1	KG0306	Bottle, amber bottle glass	amber	body	mold mark
6	1	6	MM9901	Iron fragment, unidentified	brown		small chunks of heavy corroded iron
6	1	1	MZ0101	Material, unidentified	brown		chunk of UID soft material, some rust attached
6	1	2	ZM1208	Iron flat strip			heavily corroded, thick straps, flat, spaces for nails/bolts
6	1	2	ZM1211	Wire			heavily corroded (part of bed spring?)
6	1	8	ZM1211	Wire			straight pieces of wire, but likely from bedspring
6	1	6	ZM1301	Cast iron, unidentified			two thin, four very thick cast iron chunks, UID
6	2	1	AC0120	Brick, handmade	discard		1 kg weigh and discard in field

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
6	2	3	AC0120	Brick, handmade	polychrome		two chunks have edges, traces of mortar; one may be Savannah grey
6	2	3	AC0120	Brick, handmade	orange, grey	chunks	two look like Savannah greys, one is orange
6	2	29	AF0107	Wood, architectural	black, brown	chunk	burned wood, no distinct architectural features, but does not look like roots
6	2	35	AG0301	Window glass, sized	light aqua, colorless	body	one is a rim
6	2	5	AM0601	Nail, cut			heavily corroded
6	2	58	AM0699	Nail, cut, fragment			heavily corroded
6	2	15	AM1101	Nail, wire common			heavily corroded
6	2	19	AM1199	Nail, wire common, fragment			heavily corroded
6	2	43	AM1507	Nail fragment, unidentified			heavily corroded
6	2	1	AM1714	Hinge, iron, unidentified		whole	door hinge, rectangular, holes for screws, heavy, heavily corroded
6	2	5	AM1730	Roofing tin			heavily corroded, thin, flat metal, some folded
6	2	1	AR0104	Concrete	light gray		concrete with some mortar on it?
6	2	1	AR0104	Concrete	grey	chunk	very small piece, looks like the concrete on surface near TU 6
6	2	1	AR0104	Concrete	discard		1.5 kg weigh and discard in field
6	2	2	AR0108	Mortar	discard		1.75 kg weigh and discard in field
6	2	3	AR0108	Mortar	gray, red		large chunks of brick and mortar fused together
6	2	3	AR0108	Mortar	gray		sand mortar
6	2	8	AR0108	Mortar	gray	chunks	
6	2	1	AR0110	Tabby	gray		whole oyster shell with traces of tabby
6	2	17	FM0113	Bedspring	brown		heavily corroded, part of in situ mattress; all from this whole larger artifact are shedding rust in large amounts
6	2	1	KC0501	Ironstone, plain blue tinted stone china	white	rim	hollowware
6	2	2	KC0501	Ironstone, plain blue tinted stone china	white	rim	flatware

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
6	2	1	KC0632	Pearlware, underglaze blue floral h.p.	blue on white	body	very small sherd
6	2	1	KC0704	Edgeware, scalloped, rim impressed, curved	blue on white	rim	probably scalloped, little of rim edge present
6	2	1	KC0714	Edgeware, scalloped, embossed patterns	blue	rim	beaded edge, could be one of several patterns. Very small sherd.
6	2	1	KC2303	Transfer print, linear, unidentified underglaze	blue on white	body	
6	2	1	KC4003	Cordmarked ceramic	gray/brown	body	possible cord marked, design is worn; probable sand temper
6	2	1	KF0101	Bone, unidentified	tan	partial	big, heavy bone with cut marks at one end
6	2	15	KF0104	Shell, oyster	white	whole, partial	
6	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
6	2	2	KG0301	Bottle, colorless bottle glass	colorless	body	one looks frosted, but it might be patina, this one might be tableware
6	2	1	KG0304	Bottle, aqua bottle glass	aqua	body	
6	2	5	KG0306	Bottle, amber bottle glass	amber	body	one has mold marks, one is a flake
6	2	1	KG0501	Tableware, probably, clear curved glass	blue	body	very thin, curved glass, light blue opaque; very small sherd
6	2	1	KM0322	Engraved brass cap	brass		small brass (or copper alloy) cap; linear molding on top
6	2	1	MG0101	Glass, unidentified	gray	body	UID, possible olive green bottle glass with extreme patina, thin walled.
6	2	3	MM9901	Iron fragment, unidentified			two pieces are slightly curved and have a channel; one piece almost looks like the end of a knife, but is too thick
6	2	6	MM9901	Iron fragment, unidentified			heavily corroded
6	2	1	MM9903	Slag	polychrome	chunk	
6	2	1	MZ0101	Material, unidentified	green, white, gray	chunk	very small piece. UID. Concrete with paint? Concrete with mold?
6	2	1	MZ0101	Material, unidentified	black		graphite? Round, not entirely smooth; writes in black, gets shiny when you write with it

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
6	2	2	MZ0101	Material, unidentified	black	chunk	one looks like asphalt, other is flat and "flaky" looking; UID; burned material?
6	2	2	MZ0101	Material, unidentified	green	chunks	possibly mortar or plaster green with mold etc.??
6	2	3	MZ0101	Material, unidentified	gray		rubber-like synthetic? Bar-shaped, a handle? At least two pieces seems to mend
6	2	1	PR0101	Writing slate	gray	body	very small sherd of flat slate, very flat on two sides; potential chunk of writing slate
6	2	1	RM0102	Brass/copper cartridge	gray	.32	whole, embossed on end: "USC..."
6	2	1	RM0103	Shotgun shell			copper end, missing plastic tube; embossed on end: "U.M.C./ CLUB"; small amount of wadding present
6	2	1	ZG0903	Chimney globe, crimped edge, machine made	colorless	rim	fairly thick walled
6	2	6	ZG0904	Glass lamp body	colorless	body	
6	2	1	ZM1211	Wire			heavily corroded, thin wire
6	2	1	ZM1301	Cast iron, unidentified	brown	chunk	small chunk of UID cast iron
6	3	28	AC0120	Brick, handmade	polychrome		different types of brick
6	3	2	AF0105	Asphalt	black	chunks	one small, one large; smells like asphalt
6	3	26	AG0301	Window glass, sized	light aqua, colorless		small sherds, heavy patina
6	3	27	AM0699	Nail, cut, fragment			some may be whole, but all heavily corroded
6	3	10	AM1507	Nail fragment, unidentified			heavily corroded
6	3	3	AM1730	Roofing tin			small pieces
6	3	6	AR0103	Shell mortar	gray	chunk	small chunks of burned shell and shell mortar
6	3	3	AR0104	Concrete	gray		possible concrete (contamination from surface?)
6	3	1	AR0105	Plaster	gray		possible plaster, may be sand mortar
6	3	11	AR0108	Mortar	gray		
6	3	1	CC0101	Button, porcelain	white	partial	small China; between 1/4 and 1/2 still present; 4 hole button
6	3	1	KC0501	Ironstone, plain blue tinted stone china	white	body	small sherd

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
6	3	2	KC0501	Ironstone, plain blue tinted stone china	white	rim	hollowware, plain
6	3	1	KC0630	Pearlware, plain	white	base	
6	3	2	KC0630	Pearlware, plain	white	body	
6	3	1	KC2203	Polychrome painted, early	polychrome	body	
6	3	1	KC2208	Painted Ware, unidentified	blue	body	small sherd, dark blue painted, light blue on inside
6	3	1	KC2307	Transfer print, stippled, blue underglaze	blue on white	handle	small and chipped, probably blue transferprint on a teacup handle, delicate
6	3	3	KF0101	Bone, unidentified	tan		partial and whole, small pieces
6	3	33	KF0104	Shell, oyster	white	partial, whole	
6	3	2	KF0105	Shell, clam or other non-oyster	white	chunk	
6	3	1	KG0227	Bottle, paneled	colorless	body	
6	3	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	thin walled
6	3	1	KG0301	Bottle, colorless bottle glass	colorless	body	embossed letters: "...KLYN"
6	3	3	MF0102	Charcoal	black		
6	3	2	MM9901	Iron fragment, unidentified			cast iron? Very small pieces
6	3	1	MR0122	Unmodified stone	white		chalky white stone, UID
6	3	3	PR0101	Writing slate	gray		small frags of slate, thin and flat on two opposite sides; possible writing slate frags
6	3	1	RM0102	Brass/copper cartridge	gray	.22	
6	3	1	ZG0903	Chimney globe, crimped edge, machine made	colorless	rim	
6	3	6	ZG0904	Glass lamp body	colorless	body	
6	3	1	ZR2300	Core, other	white, tan pink		looks like the same quartzite as some other flakes from this area
6	4	6	AC0120	Brick, handmade	polychrome		small chunks
6	4	6	AM0699	Nail, cut, fragment			heavily corroded
6	4	1	AM1507	Nail fragment, unidentified			thick, heavily corroded
6	4	6	AM1730	Roofing tin			very small frags, very corroded
6	4	3	AR0103	Shell mortar	gray		small pieces of burned shell with mortar attached

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
6	4	1	AR0108	Mortar	light gray		small chunk, lighter gray and different texture than other pieces
6	4	3	AR0108	Mortar	gray		small chunks, has some brick attached
6	4	5	AR0108	Mortar	gray		small chunks
6	4	1	CC0101	Button, porcelain	white	whole	two hole button on "front", one hole on "back"; looks like the centerpiece is a second piece (two-part)
6	4	1	KC2203	Polychrome painted, early	brown on white	body	hollowware, best guest on design, not too much present; pearlware base
6	4	1	KC2307	Transfer print, stippled, blue underglaze	blue on white	rim	thin walled, hollowware
6	4	1	KC2307	Transfer print, stippled, blue underglaze	blue on white	handle	delicate handle, teaware?
6	4	1	KC3110	Plain ceramic, Native American	tan	body	thicker walled
6	4	6	KC4003	Cordmarked ceramic	tan	body	thin walled
6	4	5	KF0101	Bone, unidentified	tan		one long bone, four small UID pieces
6	4	15	KF0104	Shell, oyster	white	partial, one whole	
6	4	2	KF0105	Shell, clam or other non-oyster	white	partial	one clam, one whelk
6	4	2	KG0300	Bottle, light aqua bottle glass	light aqua	body	
6	4	2	MF0102	Charcoal	black		small chunks of charcoal, one is not fully burned, slightly brown
6	4	1	MR0122	Unmodified stone	brown		smallish brown pebble, UID type of rock
6	4	1	TC0215	Tobacco pipestem, kaolin, unidentified size	white		
6	4	4	ZG0904	Glass lamp body	colorless	body	
6	4	1	ZR2410	Flake, thinning, >50% cortex	pink		tiny flake
6	5	2	AM0699	Nail, cut, fragment			heavily corroded
6	5	1	AM1507	Nail fragment, unidentified			very small, heavily corroded
6	5	2	AR0108	Mortar	light gray	chunks	light, crumbly mortar
6	5	1	KC0630	Pearlware, plain	white	base	hollowware
6	5	3	KC3110	Plain ceramic, Native American	tan	body	
6	5	2	KF0104	Shell, oyster	white	partial	very small pieces

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
6	5	1	KF0105	Shell, clam or other non-oyster	white	partial	
6	5	1	KG0301	Bottle, colorless bottle glass	colorless	body	potential manganese decolored, but very, very light purple
6	5	1	MZ0101	Material, unidentified	brown		possible nut shell frag, very small
6	5	1	MZ0101	Material, unidentified	tan		small fragment of rock?
6	6	1	AC0120	Brick, handmade	red	chunk	small chunk
6	6	10	KC3110	Plain ceramic, Native American	tan	body	decoration is worn
6	6	1	MZ0101	Material, unidentified	brown		small iron concretion
6	7	1	KC3110	Plain ceramic, Native American	tan	body	all Native ceramic looks similar, this is very worn/broken on the outside
6	7	1	KF0104	Shell, oyster	white	partial	
6	7	1	ZR2412	Flake, thinning 0% cortex	pink, white, gray		complete flake, very nice
6	7	1	ZR2422	Flake, unspecialized 0% cortex	gray		
6	wall clean up	1	AG0301	Window glass, sized	light aqua		
6	wall clean up	2	AM0699	Nail, cut, fragment			heavily corroded
6	wall clean up	1	AM1101	Nail, wire common			heavily corroded
6	wall clean up	5	AM1507	Nail fragment, unidentified			heavily corroded
6	wall clean up	3	AR0104	Concrete	gray	chunk	concrete? Looks like material from surface
6	wall clean up	7	AR0108	Mortar	tan	chunk	mostly sand mortar, but has some shell mixed in too
6	wall clean up	1	KF0101	Bone, unidentified	tan		partial long bone
7	1	1	AC0120	Brick, handmade	red	whole	nearly whole brick with sand mortar
7	1	1	AC0120	Brick, handmade	red	whole	several whole and brick bats held together with mortar, Savannah grays
7	1	2	AC0120	Brick, handmade	pink	bats	some mortar attached, Savannah grays
7	1	3	AC0120	Brick, handmade	pink	chunks	some mortar attached, two Savannah grays, one orange

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
7	1	93	AC0120	Brick, handmade	misc	discard	93 kg discarded
7	1	13	AF0107	Wood, architectural	brown		wood is flaking, one piece appears to be partially burned
7	1	1	AG0301	Window glass, sized	colorless		
7	1	1	AM0699	Nail, cut, fragment	brown	nearly whole	
7	1	1	AM1101	Nail, wire common	brown		
7	1	1	AR0103	Shell mortar	gray	chunk	
7	1	18	AR0108	Mortar	gray	chunk	some larger chunks, one is darker gray, sand mortar
7	1	1	AR0110	Tabby	gray	chunk	brick bat sized chunk of tabby
7	1	1	KF0101	Bone, unidentified	brown		possible knuckle, mostly whole
7	1	1	KF0113	Shell, unidentified	gray	whole	two small holes in shell, some kind of snail, probably natural, not food
7	1	3	KF0113	Shell, unidentified	pink	fragments	pieces mend, worn shell, roughly square when mended
7	1	8	MF0102	Charcoal	black		small chunks
7	1	2	ZM1301	Cast iron, unidentified	brown	chunk	small pieces of cast iron, some traces of mortar
7	2	1	AC0120	Brick, handmade	orange	bat	brick bat with lots of sand mortar
7	2	2	AC0120	Brick, handmade	polychrome	frags	very small frags, one has mortar attached
7	2	4	AC0120	Brick, handmade	pink, orange	chunks	large chunks; three Savannah grays, one orange; two have mortar traces
7	2	46	AC0120	Brick, handmade	misc	discard	46 Kg discarded
7	2	8	AF0107	Wood, architectural	brown	frags	small chunks of wood with nails through it
7	2	5	AG0301	Window glass, sized	colorless/light aqua		
7	2	19	AM0601	Nail, cut	brown		heavily corroded
7	2	32	AM0699	Nail, cut, fragment	brown		heavily corroded, one or two have wood attached via rust
7	2	13	AM1101	Nail, wire common	brown		heavily corroded
7	2	1	AM1506	Nail, wire, unidentified, fragment	brown		heavily corroded
7	2	26	AM1507	Nail fragment, unidentified	brown		heavily corroded

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
7	2	15	AM1730	Roofing tin	brown		heavily corroded, mostly small pieces (quarter size)
7	2	1	AR0108	Mortar	gray/black	chunk	possibly burned, small chunk
7	2	9	AR0108	Mortar	gray	chunks	large chunks, sand mortar; one piece is black on the outside, possibly burned
7	2	3	AR0110	Tabby	gray	chunk	small frags
7	2	4	AR0110	Tabby	gray	chunks	mostly shell with some sand tabby attached
7	2	1	KF0101	Bone, unidentified	brown		small jaw bone, one intact tooth
7	2	24	KF0104	Shell, oyster	white	whole, partial, fused	some have iron staining, could be food or pieces of tabby
7	2	1	KG0231	Bottle, amethyst /Manganese decolorized glass	purple	rim	jar, no visible mold marks, but probably molded
7	2	1	KG0301	Bottle, colorless bottle glass	colorless	body	
7	2	1	MF0104	Wood, unidentified	brown	chunk	possibly wood or bark, probably not an artifact
7	2	5	MF0104	Wood, unidentified	brown, black		small chunks, some appear burned
7	2	1	PR0101	Writing slate	gray	fragments	very small fragment
7	2	1	ZM1301	Cast iron, unidentified	brown		flat, small sherd
7	3	5	AC0120	Brick, handmade	pink, orange	chunks	probably Savannah grays, some have traces of mortar
7	3	3	AG0301	Window glass, sized	colorless	fragments	
7	3	3	AM0601	Nail, cut	brown		two very small, one large; heavily corroded
7	3	1	AM0699	Nail, cut, fragment	brown		large iron nail? Rounded towards "top"; if nail, missing head
7	3	3	AM1730	Roofing tin	brown	fragments	small, heavily corroded
7	3	1	AR0103	Shell mortar	gray	chunk	
7	3	1	AR0103	Shell mortar	white	chunk	
7	3	6	AR0108	Mortar	gray	chunks	sand mortar
7	3	2	AR0110	Tabby	gray	chunk	gray sand mortar on white shell
7	3	1	KC2399	Transfer print, unidentified	blue, white	body	small sherd, blue transfer print, UID design; extra drip of blue glaze
7	3	10	KF0101	Bone, unidentified	white	partial	no traces of mortar or tabby

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
7	3	5	KF0104	Shell, oyster	gray	partial	small sherds, gray/burned shell
7	3	1	KG0301	Bottle, colorless bottle glass	colorless	body	fairly thin sherd
7	3	1	PR0101	Writing slate	gray	fragment	very smooth on one side, very thin
7	4	2	AC0120	Brick, handmade	red	chunk	small
7	4	3	AG0301	Window glass, sized	colorless	fragments	
7	4	2	AM0601	Nail, cut	brown		heavily corroded
7	4	6	AM0699	Nail, cut, fragment	brown		heavily corroded
7	4	1	AM1730	Roofing tin	brown	fragment	one small piece
7	4	1	AR0201	Architectural stone	white	chunk	chunk of white rock, traces of white shell mortar on it
7	4	1	KC3110	Plain ceramic, Native American	red	body	sand tempered
7	4	1	KF0101	Bone, unidentified	brown	chunk	large, probably end of long bone, worn
7	4	1	KF0104	Shell, oyster	brown, black	fragment	small bone frag, burned lightly
7	4	4	KF0104	Shell, oyster	white	fragments	
7	4	1	KG0516	Other glass	colorless	fragment	flat on one side, curved edge (so not window glass), too small to determine vessel shape
7	4	1	MG0102	Glass, melted, unidentified	gray, white	chunk	melted glass with shell mortar
7	4	1	ZM1211	Wire	brown	fragment	small piece
7	5	2	AG0301	Window glass, sized	colorless	fragments	very small
7	5	2	AR0108	Mortar	white		sand mortar
7	5	1	KC2308	Transfer print, stippled, dark blue underglaze	blue	body	thin bodied, printed on both sides, possibly some black overglaze, sherd is too small to determine design
7	5	1	KC3110	Plain ceramic, Native American	tan	body	thick-bodied, gravel tempered
7	5	9	KF0104	Shell, oyster	white	fragments	small sherds
7	5	2	MF0102	Charcoal	black		
7	5	1	MG0102	Glass, melted, unidentified	green, gray		very small chunk, more shell mortar than melted glass
7	5	1	MM9901	Iron fragment, unidentified	brown		very small frag, heavily corroded
7	6	3	AC0120	Brick, handmade	red	chunk	very small chunks, very small traces of mortar
7	6	5	AR0108	Mortar	gray	chunks	small chunks, two different types of sand mortar, but very similar
7	6	1	KC0630	Pearlware, plain	white	base	hollowware

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
7	6	18	KC3110	Plain ceramic, Native American	tan	body	thick-walled, rough; gravel tempered
7	6	5	MF0102	Charcoal	black	chunks	small pieces
7	6	1	PR0101	Writing slate	gray	fragment	very small fragment, smooth top and bottom
7	Hurricane cleanup	1	AC0120	Brick, handmade	red	chunk	probable Savannah gray
7	Hurricane cleanup	7	AR0108	Mortar	gray	chunk	one piece has a little brick attached, one piece has additional shell mortar attached.
7	Hurricane cleanup	3	KF0104	Shell, oyster	white	whole, partial	
8	1	1	AC0120	Brick, handmade	red	bat	half brick, Savannah gray, traces of mortar present
8	1	1	AC0120	Brick, handmade	red	whole	nearly whole, red, probably not Savannah gray, mortar traces attached
8	1	7	AC0120	Brick, handmade	polychrome	chunks	some have mortar, appears to be both shell mortar and sand mortar (not on same brick)
8	1	134	AC0120	Brick, handmade	misc	discard	134.5 kg discarded
8	1	1	AF0107	Wood, architectural	brown, black		burned wood, some straight edges
8	1	11	AG0301	Window glass, sized	light aqua	fragments	one large, thick sherd; others medium
8	1	27	AM0601	Nail, cut	brown		corroded, but not terrible
8	1	1	AM0699	Nail, cut, fragment	gray, brown		probable cut nail through wood
8	1	21	AM0699	Nail, cut, fragment	brown		corroded, but not terrible
8	1	1	AM1101	Nail, wire common	brown		large spike
8	1	9	AM1101	Nail, wire common	brown		corroded, but not terrible
8	1	1	AM1710	Window pintle, wrought iron	brown	partial	heavily corroded, flaking, window or fireplace pintle? Large, cast iron, flat bar
8	1	3	AM1730	Roofing tin	brown		heavily corroded
8	1	1	AR0103	Shell mortar	light gray	chunk	
8	1	1	AR0110	Tabby	white, gray		shell with mortar
8	1	1	KF0101	Bone, unidentified	gray		burned fragment, probable long bone
8	1	4	KF0104	Shell, oyster	white	fragments	
8	1	1	KG0252	Bottle, continuous thread finish, machine made	colorless	rim	tiny sherd

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes

10	1	5	AC0120	Brick, handmade	misc	discard	5 kg of brick and mortar discarded
10	1	8	AC0120	Brick, handmade	polychrome	chunks	big and small chunks
10	1	1	AC0200	Tile, ceramic	off-white	fragment	glazed tile for bath probably; looks modern
10	1	7	AG0301	Window glass, sized	light aqua		
10	1	1	AM1101	Nail, wire common	brown		heavily corroded
10	1	1	AR0103	Shell mortar	gray	chunk	
10	1	13	AR0108	Mortar	gray	chunks	large and medium chunks, sand mortar
10	1	124	KF0104	Shell, oyster	white	whole and partial	slightly chalky and decaying
10	1	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
10	1	1	KG0301	Bottle, colorless bottle glass	colorless	body	possibly light purple? Has mold mark
10	1	3	KG0301	Bottle, colorless bottle glass	colorless	body	
10	1	1	KG0306	Bottle, amber bottle glass	amber	body	mold mark
10	1	4	MZ0101	Material, unidentified	gray	fragments	rubber seal of some type? Two fragments seem to mend
10	2	32	AC0120	Brick, handmade	polychrome	chunks	large and small chunks, many types represented
10	2	54	AC0120	Brick, handmade	misc	discard	53.75 kg discarded brick and mortar
10	2	9	AF0107	Wood, architectural	brown, black		burned wood, not obviously architectural or a root
10	2	6	AG0301	Window glass, sized	light aqua		

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
10	2	41	AG0301	Window glass, sized	light aqua		one has a finished, curved edge
10	2	4	AM0601	Nail, cut	brown		heavily corroded
10	2	3	AM0699	Nail, cut, fragment			heavily corroded
10	2	6	AM0699	Nail, cut, fragment	brown		heavily corroded
10	2	4	AM1507	Nail fragment, unidentified			heavily corroded
10	2	5	AM1507	Nail fragment, unidentified	brown		heavily corroded
10	2	1	AM1513	Spike	brown		huge wire nail, heavily corroded
10	2	8	AM1730	Roofing tin	brown		small pieces? Folded sheet metal
10	2	9	AM1730	Roofing tin			heavily corroded, small fragments
10	2	21	AR0108	Mortar	gray	chunks	sand mortar
10	2	1	KC0501	Ironstone, plain blue tinted stone china	white	rim	hollowware
10	2	1	KC0700	Whiteware, plain	white	body	very thin walled, some iron staining
10	2	2	KC0903	Mocha on white body	orange, brown	body	dendritic design, sherds mend (new break),
10	2	1	KC0999	Dipped ware, unidentified	green	body	encrusted, small sherd, dipped
10	2	1	KC2303	Transfer print, linear, unidentified underglaze	blue, white	rim, marley	blue willow, probable plate, pearlware
10	2	1	KC2807	Lustreware	white, gold	rim	lined and floral decoration in gold luster in edge- ca.1815-1860s
10	2	1	KF0101	Bone, unidentified	tan	partial	piece of large rib
10	2	1	KF0102	Animal teeth	tan, white	partial	tooth, mostly root, very small
10	2	169	KF0104	Shell, oyster	white	whole, partial	two are gray, rest are white
10	2	247	KF0104	Shell, oyster	white	chunks, whole	
10	2	3	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	one has mold mark
10	2	1	KG0299	Bottle, amber/olive green glass	olive	flake	
10	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
10	2	4	KG0300	Bottle, light aqua bottle glass	light aqua	body	
10	2	1	KG0301	Bottle, colorless bottle glass	colorless	base	has partial maker's mark on base: "I" in a diamond- Illinois Glass Co. 1915-1929; possible Owens' scar too

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
10	2	1	KG0301	Bottle, colorless bottle glass	colorless	body	angled corner (obtuse angle), mold marks on corner
10	2	2	KG0301	Bottle, colorless bottle glass	colorless	body	
10	2	3	KG0301	Bottle, colorless bottle glass	colorless	body	
10	2	2	KG0302	Bottle, dark green bottle glass	bright green	body	
10	2	1	KG0304	Bottle, aqua bottle glass	aqua	body	mold mark
10	2	1	KG0306	Bottle, amber bottle glass	amber	body	
10	2	3	KG0306	Bottle, amber bottle glass	amber	body	2 have mold marks
10	2	1	KG0404	Glass bottle stopper	colorless	whole	missing small amount on bottom, lead alloy metal on top, has flag logo
10	2	1	KG0501	Tableware, probably, clear curved glass	colorless	body	some mold marks or incised design; tiny sherd
10	2	1	KG0501	Tableware, probably, clear curved glass	colorless	rim	hollowware
10	2	1	KG0501	Tableware, probably, clear curved glass	colorless	body	linear embossed design, thin glass
10	2	3	MF0206	Tar or Pitch	black	chunks	
10	2	1	MM9903	Slag	silver		silvery slag-like material, heavy for size, lead based?
10	2	1	MZ0101	Material, unidentified	gray		rubber seal? Same material as Level 1
10	2	1	TC0101	Tobacco pipe bowl, kaolin, plain	white	body	possibly a very small amount of molded design
10	2	3	ZM1211	Wire	brown		two straight pieces and one coiled 1.5 times
10	3	1	AC0120	Brick, handmade	red	bat	some mortar attached
10	3	1	AC0120	Brick, handmade	red	whole	nearly whole Savannah gray brick, some mortar attached
10	3	11	AC0120	Brick, handmade	misc	discard	10.75 kg discarded
10	3	18	AC0120	Brick, handmade	red	chunks	probable Savannah grays
10	3	11	AG0301	Window glass, sized	light aqua		seems to be two straight edges
10	3	6	AM0699	Nail, cut, fragment	brown		heavily corroded
10	3	3	AM1507	Nail fragment, unidentified	brown		heavily corroded
10	3	15	AM1730	Roofing tin	brown	chunks	small chunks, many bent, possibly some nail frags attached, heavily corroded

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
10	3	13	AR0108	Mortar	gray	chunks	some small, some very large, one has impressions for multiple bricks
10	3	1	KC0115	Porcelain, Japanese hard paste	red on white	rim	thin walled, red line along rim, Geisha girl design, ca 1875-1950
10	3	1	KC0115	Porcelain, Japanese hard paste	red on white	base	thick walled, hollowware; Geisha girl design, ca 1875-1950
10	3	1	KC0700	Whiteware, plain	white	body	very thin walled
10	3	1	KC0901	Dipped ware, tan, rust, brown, olive, or ochre	polychrome	body	embossed annualr design, green and brown and tan lines
10	3	1	KC2801	Yellowware, plain	yellow	body	embossed annular design
10	3	85	KF0104	Shell, oyster	white	whole and partial	one is a little gray, some stuck together
10	3	1	KF0105	Shell, clam or other non-oyster	white	partial	clam
10	3	2	KG0227	Bottle, paneled	colorless	body	seem to be from same bottle. Sherd 1: "BE..." Sherd 2: "...FOR..."
10	3	1	KG0299	Bottle, amber/olive green glass	olive	body	very small sherd
10	3	2	KG0300	Bottle, light aqua bottle glass	light aqua	body	thin walled
10	3	1	MG0102	Glass, melted, unidentified	colorless		melted?
10	3	4	MG0102	Glass, melted, unidentified	colorless		melted? Chunking into tiny pieces
10	3	1	MZ0101	Material, unidentified	gray	chunk	small, thick chunk. Equal thickness on two parallel sides, relatively finished. Perhaps hole drilled though. Porous. Graphite?
10	3	1	MZ0101	Material, unidentified	black	chunk	thin, something burned?
10	3	1	PR0101	Writing slate	gray	fragment	thin, flat slate, finished on both sides
10	3	1	ZG0903	Chimney globe, crimped edge, machine made	colorless	rim	can't tell if it's machine made or not
10	3	8	ZM1246	Brass container	gray green	fragments	partial brass or copper box? Embossed writing: "PATENT/ WIEN/ LEOP. PIP..." or maybe IEOP PIP? Holes punched in it.
10	3	1	ZR2411	Flake, thinning <50% cortex	tan, red	flake	
10	4	6	AC0120	Brick, handmade	red	chunks	Savannah grays, one frag may be orange brick
10	4	6	AG0301	Window glass, sized	light aqua	frags	small/medium fragments
10	4	1	AM0699	Nail, cut, fragment	brown		heavily corroded

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
10	4	6	AM1730	Roofing tin	brown		heavily corroded
10	4	3	AR0108	Mortar	gray	chunks	two are very flat
10	4	1	KC0630	Pearlware, plain	white	base	shallow hollowware,
10	4	1	KC2301	Willow ware, pearlware	blue on white	rim	flatware, small sherd
10	4	1	KC2307	Transfer print, stippled, blue underglaze	blue on white	body	hollowware, floral design
10	4	1	KC9901	Indeterminate ceramic	tan	body	gravel tempered
10	4	1	KF0101	Bone, unidentified	tan	frag	small frag of heavy bone, possible long bone; worn
10	4	36	KF0104	Shell, oyster	white	whole, chunks	mostly chunks, one is gray, most are flaking and soft
10	4	1	KG0182	Milk Glass	blue	body	small, thin sherd
10	4	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	very tiny sherd
10	4	3	MF0102	Charcoal	black	frag	small frags
10	4	1	MF0207	Faunal, unidentified	black	frag	burned something (bark?)
10	4	1	MM9902	Metal, non iron/steel, unidentified	gray	frag	white metal, possibly aluminum, thin folded metal
10	4	1	PR0101	Writing slate	gray	body	very small sherd, only finished on one side, other is flaked
10	4	1	ZG0904	Glass lamp body	colorless	body	
10	4	1	ZG1203	Bottle glass flake	colorless/straw	flake	strongly straw colored,
10	5	1	AG0301	Window glass, sized	colorless	frag	very small, thick fragment
10	5	1	AM1730	Roofing tin	brown	frag	small frag, heavily corroded
10	5	1	KC4003	Cordmarked ceramic	orange	body	gravel tempered
10	5	1	KC9901	Indeterminate ceramic	tan	rim	sand tempered
10	5	2	KC9901	Indeterminate ceramic	orange	body	one is sand and one is gravel tempered
10	5	5	KF0104	Shell, oyster	white	chunk	small frags, soft and chalky
10	5	1	MF0102	Charcoal	black		small frag
10	6	1	KF0101	Bone, unidentified	gray	fragment	very small fragment, lightly burned
10	6	1	KF0104	Shell, oyster	white	frag	soft, chalky
10	6	1	MF0102	Charcoal	black	frag	small charcoal chunk, round on one side
10	6	1	MM9901	Iron fragment, unidentified	brown		small, heavily corroded iron frag

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
10	6	1	ZR2421	Flake, unspecialized <50% cortex	tan		
10	7	1	KF0104	Shell, oyster	white	nearly whole	soft, chalky
10	8	1	AC0120	Brick, handmade	red	bat	Savannah gray brick bat
10	clean up	12	AC0120	Brick, handmade	red	chunks	smallish chunks, Savannah grays
10	clean up	1	AG0301	Window glass, sized	light aqua	frag	
10	clean up	1	AM0699	Nail, cut, fragment	brown		heavily corroded
10	clean up	1	AR0108	Mortar	gray	chunk	small chunk
10	clean up	1	KC9901	Indeterminate ceramic	tan	body	very small frag, only one side is finished
10	clean up	16	KF0104	Shell, oyster	white	partials	maybe some wholes mostly partials, a little chalky and soft
10	clean up	1	KF0105	Shell, clam or other non-oyster	white	frag	clam, powdery
10	clean up	1	KG0252	Bottle, continuous thread finish, machine made	light aqua	rim	mold mark is visible all of the way to the top of the finish
10	clean up	1	MR0122	Unmodified stone	gray	chunk	mottled, gravel; probably not an artifact
10	clean up	1	ZG0904	Glass lamp body	colorless	body	
3 & 4	wall cleanup	1	AC0120	Brick, handmade	red	chunk	
3 & 4	wall cleanup	3	AG0301	Window glass, sized	light aqua, colorless	body	one is large
3 & 4	wall cleanup	1	AM0699	Nail, cut, fragment			
3 & 4	wall cleanup	1	KC0501	Ironstone, plain blue tinted stone china	light gray	body	lightly burned? Heavily craized
3 & 4	wall cleanup	1	KC0700	Whiteware, plain	white	body	medium thickness walls, lightly craized
3 & 4	wall cleanup	1	KF0104	Shell, oyster	white	whole	
3 & 4	wall cleanup	1	KF0105	Shell, clam or other non-oyster	white	partial	clam
3 & 4	wall cleanup	1	KG0299	Bottle, amber/olive green glass	olive	body	
3 & 4	wall cleanup	1	KG0299	Bottle, amber/olive green glass	olive	base	

Test Unit	Level/Fea	Number	Code	Description	Color	size	Notes
3 & 4	wall cleanup	1	KG0301	Bottle, colorless bottle glass	colorless	rim	small bottle, narrow neck, possible fine lipping tool finish
3 & 4	wall cleanup	1	MF0208	Fossil	gray	partial	shark's tooth
3 & 4	wall cleanup	2	ZG0904	Glass lamp body	colorless	body	extremely thin walls
3 & 4	wall cleanup	1	ZM1208	Iron flat strip			small, thin metal strip, folded in half
3 & 4	wall fall	1	ZM1211	Wire			thick wire, folded in half
