1	1	1	KC0700	Whiteware, plain	white	body	slight gray/blue shade, heavy craizing
1	1	1	KG0301	Bottle, colorless bottle glass	colorless	body	
1	1	2	KG0231	Bottle, amethyst /Manganese decolorized glass	purple	body	very slight purpling
1	1	1	KG0227	Bottle, paneled	colorless	body	
1	1	1	AM1505	Nail, cut or wrought, square		partial head and body	
1	1	2	MZ0101	Material, unidentified	black		can write with it like a colored pencil, graphite?
1	1	9	AC0199	Brick, unspecified	polychrome	small chunks	
1	1	4	KF0104	Shell, oyster	white		
1	1	1	KC1400	Redware, unidentified, refined	pink	body	tiny sherd, pink paste, worn black glaze?
1	1	40	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan	body	a few pieces have impressions (from lathing?)
1	1	8	AR0103	Shell mortar	white	body	very small
1	2	1	KG0299	Bottle, amber/olive green glass	olive	body	
1	2	4	KG0306	Bottle, amber bottle glass	amber	body	one has mold seam, one has embossed letter "T" next letter is maybe an H
1	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	very thin, heavy patina
1	2	1	AG0301	Window glass, sized	light aqua	body	small
1	2	8	KG0301	Bottle, colorless bottle glass	colorless	body	one is embossed with panels
1	2	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	very light purple
1	2	1	KC1303	Redware, fine black glazed	black	body	embossed beading detail (potential jackfield?)
1	2	1	KC0223	Gray salt glazed	gray	body	probable jar
1	2	6	KF0101	Bone, unidentified	tan	partial	
1	2	2	KF0102	Animal teeth	tan	partial	
1	2	18	MF0107	Coal? Soft and round	black		soft, can write with it, round,
1	2	2	AR0201	Architectural stone	gray	corner	one piece is dressed stone, right angle corner, small; other is not dressed

Test Unit	Level	Number	Code	Description	Color	size	Notes
1	2	3	MZ0101	Material, unidentified	black		small pieces of asphalt? Roofing? Burned? UID
1	2	4	RM0102	Brass/copper cartridge	green	.22	complete .22 casing, one is extra long
1	2	1	AM1719	Hardware, unidentified	gray	partial	lead alloy strap, curved
1	2	1	AM1719	Hardware, unidentified	gray	partial	lead alloy, looks like a reinforced leg for
1	2	1	AM1719	Hardware, unidentified	gray	complete?	copper, bent small bracket with attached nut and bolt, some letters and/or numbers impressed on it, need magnifying glass to see better
1	2	1	ZM0406	Hardware, gray material with copper bolt and nut	gray, green	partial	gray bar of UID material (porous, light) with a copper nut and bolt which secures a broken-off
1	2	19	AC0120	Brick, handmade	polychrome	partial	some have flat edges
1	2	2	AR0105	Plaster	white	partial	has semi-flat edges on one side
1	2	2	KC1299	Coarse earthenware, unidentified	pink	body	pink paste without glaze
1	2	9	AM1507	Nail fragment, unidentified			
1	2	4	AM0699	Nail, cut, fragment			
1	2	11	AM1506	Nail, wire, unidentified, fragment			
1	2	1	AM1602	Large staple			staple
1	2	2	FM0105	Strap			two different sizes, one is bent, heavily corroded
1	2	1	AM1721	Water pipe metal			partial iron pipe
1	2	6	MM9901	Iron fragment, unidentified			thin iron frag (some part of pipe?); additionally, other small pieces of rust, most seem to be broken off larger pieces that are cataloged
1	2	27	KF0104	Shell, oyster	white	whole and partial	
1	2	120	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan and white		tan interior mortar with gray outer (repainting?)
1	3	2	KC1299	Coarse earthenware, unidentified	pink	body	mends with two sherds from Level 2, seems to be round disk about 2" diameter
1	3	1	KC1295	Coarse earthenware	tan	body	pinkish tan, looks like a salt-glaze outside and no
1	3	2	KC0630	Pearlware, plain	white	body	flatware
1	3	1	KC0631	Pearlware, unidentified decorated	blue	rim	flatware, blue UID underglaze handpainted

Benedictine Monastery and Freedmen School, Skidaway Island, 9Ch78

Test Unit	Level	Number	Code	Description	Color	size	Notes
1	3	2	KF0101	Bone, unidentified	tan		small, one seems heavily weathered
1	3	1	KG0299	Bottle, amber/olive green glass	olive	body	
1	3	1	KG0306	Bottle, amber bottle glass	amber	neck	budware; mold marks to the top that is present, probable crown top
1	3	3	KG0301	Bottle, colorless bottle glass	colorless	body	
1	3	1	KG0507	Tableware, glass cup/mug	colorless	rim	small cup with embossed lines, decorated
1	3	1	KG0306	Bottle, amber bottle glass	amber	flake	
1	3	1	ZM1306	Finial	gray	whole	shape and size of metal cap on shotgun shell, little knob on top, might be broken off
1	3	1	ZM0406	Hardware, gray material with copper bolt and nut	gray	partial	
1	3	3	MF0107	Coal? Soft and round	black		
1	3	5	KF0104	Shell, oyster	white		partial and mostly whole
1	3	1	KF0105	Shell, clam or other non-oyster	white		partial
1	3	2	AM1506	Nail, wire, unidentified, fragment			
1	3	17	AM1507	Nail fragment, unidentified			
1	3	5	KM0312	Lids, other, metal	rust		partial, probably jar lid
1	3	10	MM9901	Iron fragment, unidentified	rust		small chunks of heavily rusted iron
1	3	1	AC0120	Brick, handmade		bat	
1	3	11	AC0120	Brick, handmade	polychrome	chunks	large and small chunks, handmade and machine made
1	3	1	AC0120	Brick, handmade	gray	chunk	parallel lines carved on one side?
1	3	1	AR0201	Architectural stone	gray	chunk	small chunk of stone, same as level 2, has some
1	3	78	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan/gray	chunks	
1	4	1	KG0299	Bottle, amber/olive green glass	olive	body	
1	4	1	TC0103	Tobacco pipe bowl, kaolin, molded	white, gray	bowl, foot, tiny part of stem	linear decoration
1	4	2	MF0104	Wood, unidentified	brown	small	no indication that these pieces are architectural

Test Unit	Level	Number	Code	Description	Color	size	Notes
1	4	7	AM1507	Nail fragment, unidentified			heavily fragmented and heavily rusted; some have wood fragments rusted onto it
1	4	4	MM9901	Iron fragment, unidentified			
1	4	14	KF0104	Shell, oyster	white	whole and tiny pieces	
1	4	1	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan		
1	5	1	MF0102	Charcoal	black		small
1	5	1	MF0104	Wood, unidentified	brown		small
1	5	1	AC0120	Brick, handmade	red		very small
1	5	3	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan		no gray mortar attached
1	5	1	KC3110	Plain ceramic, Native American	tan		rock tempered
1	5	2	ZF0700	Hose, rubber	gray		garden hose? Pieces mend
1	5	1	AM0699	Nail, cut, fragment			
1	5	3	AM1506	Nail, wire, unidentified, fragment			
1	5	3	MM9901	Iron fragment, unidentified			
1	5	1	AM1719	Hardware, unidentified			heavy, blocky
1	5	7	AM1507	Nail fragment, unidentified	rust		nails rusted into wood
1	5W	1	MF0104	Wood, unidentified	brown		wood, no evidence of architecture (wall cleanup)
1	5W	1	AM1507	Nail fragment, unidentified			wall cleanup
1	5W	1	MM9901	Iron fragment, unidentified			heavy lump of rust (hardware?)
1	5W	1	AM0195	Nail, wrought			wall cleanup
1	6W	2	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)		one large, one small	wall cleanup
1	6W	1	MF0101	Coal	white		burned, wall cleanup
2	1	2	KC0630	Pearlware, plain	white	body	two different thicknesses, hollowware
2	1	4	KG0306	Bottle, amber bottle glass	amber	body, neck	mold seams

Benedictine Monastery and Freedmen School, Skidaway Island, 9Ch78

Test Unit	Level	Number	Code	Description	Color	size	Notes
2	1	1	KG0306	Bottle, amber bottle glass	amber	base	mold seams, fully machine made
2	1	2	KG0299	Bottle, amber/olive green glass	olive	body	
2	1	2	AG0301	Window glass, sized	colorless	body	
2	1	1	KG0514	Cut glass	colorless	body	possible cup or bowl
2	1	2	KG0501	Tableware, probably, clear curved	colorless	body	some design, UID
2	1	1	MM9901	Iron fragment, unidentified	rust		thin, small piece
2	1	1	RM0102	Brass/copper cartridge	green	.22	three holes punched in end (only one actually)
2	1	5	KF0104	Shell, oyster	white	frags	
2	1	5	AC0120	Brick, handmade	polychrome	frags	
2	1	1	AR0103	Shell mortar	white	chunk	cocquina?
2	1	49	AR0102	Mortar, flat heavy from fea 1 at monastery (many have two types: tan inside and gray outer)	tan/gray		mostly tan with a little gray on it
2	2	1	KC0110	Porcelain, bone china	white	foot?	no decoration
2	2	1	KC1295	Coarse earthenware	pink	body	mends to other sherds?
2	2	1	KC0309	Salt glazed/alkaline glazed	cream/brown	body	salt-glazed outside, alkaline inside
2	2	1	KC0309	Salt glazed/alkaline glazed	gray/brown	base	salt-glazed outside, alkaline inside
2	2	1	ZM1307	Sign, metal	gray	whole	metal number, "1"
2	2	1	RM0102	Brass/copper cartridge	green	.22	whole
2	2	1	MF0107	Coal? Soft and round	black	small	
2	2	1	ZG0904	Glass lamp body	colorless	body	
2	2	3	KG0299	Bottle, amber/olive green glass	olive	body	
2	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
2	2	2	KG0301	Bottle, colorless bottle glass	colorless	body	
2	2	12	KG0306	Bottle, amber bottle glass	amber	body	mends?
2	2	1	KG0232	Bottle, fine lipping tool finish	amber	finish, neck, shoulders	mends with other body sherds?, oil finish
2	2	1	KG0502	Tableware, goblet rim	colorless	rim	paneled, small hollowware vessel
2	2	5	KG0514	Cut glass	colorless	body	highly decorative cut glass hollowware, mends?
2	2	1	MG0102	Glass, melted, unidentified	aqua	body	melted

Benedictine Monastery and Freedmen School, Skidaway Island, 9Ch78

Test Unit	Level	Number	Code	Description	Color	size	Notes
2	2	19	MM9901	Iron fragment, unidentified			small, mostly flat
2	2	1	MM9902	Metal, non iron/steel, unidentified			very small, very thin, copper alloy
2	2	3	KC1295	Coarse earthenware	pink	body	
2	2	2	AM1101	Nail, wire common			one large, one average size, heavily rusted but
2	2	1	ZM1211	Wire			iron wire, approximately 10"
2	2	1	AM1721	Water pipe metal			iron pipe ferrule, threaded inside
					partial and nearly whole		
2	2	8	KF0104	Shell, oyster	white		
2	2	1	MF0107	Coal? Soft and round	black		
2	2	18	AC0120	Brick, handmade	polychrome	chunks	mix of old and new
2	2	1	KC0609	Creamware, overglazed transfer	cream		might be a bird?

Benedictine Monastery and Freedmen School, Skidaway Island, 9Ch78

Test Unit	Level	Number	Code	Description	Color	size	Notes
3	2	1	ZM1211	Wire			small, bent
3	2	31	AF0107	Wood, architectural			some smells like pine, might be two different kinds of wood present; some seems tp have paint
3	3	7	AC0120	Brick, handmade	polychrome	bats	two mend, mostly Savannah greys, one seems much smaller and more modern
3	3	69	AM1507	Nail fragment, unidentified			
3	3	141	AM0699	Nail, cut, fragment			
3	3	36	AM1199	Nail, wire common, fragment			
3	3	1	ZM1247	Screw			flat head (not phillips)
3	3	1	ZM1211	Wire			about 2" long
3	3	1	KM0311	Screw cap/top			very small, heavily corroded fragment
3	3	1	MF0102	Charcoal			small
3	3	1	KF0101	Bone, unidentified	tan		very small long bone (rodent?)
3	3	1	KC0501	Ironstone, plain blue tinted stone	white	rim	flatware,
3	3	1	KC0110	Porcelain, bone china	white	rim	paneled, hollowware, undecorated
3	3	1	KC2809	Earthenware, Rockingham glaze on buff paste	brown	body	very small, heavily scratched, craizing; probable Rockingham
3	3	1	MM9902	Metal, non iron/steel, unidentified	gray		thin metal band; metal cap? White metal
3	3	82	AG0301	Window glass, sized	light aqua		small minority have straight edges, corners
3	3	11	KG0301	Bottle, colorless bottle glass	colorless	body	
3	3	7	KG0300	Bottle, light aqua bottle glass	light aqua	body	one is thin walled, seems to be a pharmaceutical
3	3	1	KG0247	Bottle, hob skirted coke bottle	light aqua	body	
3	3	1	KG0304	Bottle, aqua bottle glass	aqua	rim	mold seams along top of rim, bead finish?
3	3	2	KG0299	Bottle, amber/olive green glass	olive	body	
3	3	2	KG0306	Bottle, amber bottle glass	amber	body	
3	3	1	KG0301	Bottle, colorless bottle glass	colorless	rim	patent finish, possible fine lipping tool finish, no marks to positively ID
3	3	2	KG0252	Bottle, continuous thread finish, machine made	colorless	rim	sherds mend;
3	3	1	KG0227	Bottle, paneled	colorless	body	thin walled
3	3	1	KG0210	Bottle, cup bottom mold	colorless	base	small, rectangular base,
3	3	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	base	extremely light purple, probably rectangular base

Test Unit	Level	Number	Code	Description	Color	size	Notes
3	3	3	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	two are paneled, very light purple
3	3	1	KG0251	Bottle, applied color lable bottle	colorless	body	green paint outside, orange inside curve
3	3	3	KG0301	Bottle, colorless bottle glass	colorless	flakes	
3	3	2	ZG0602	Auto safety glass	light aqua		small, fractured internally, really auto safety
3	3	25	AF0107	Wood, architectural			seems to be from same wood souce, no pine
3	3	12	AC0120	Brick, handmade	polychrome	chunks	
3	3	3	AR0103	Shell mortar			tiny pieces, burned shell and traces of mortar
3	3	26	AR0105	Plaster	gray, white	chunks	sand plaster, many pieces have finished side
3	3	5	AR0105	Plaster	tan	chunks	clay/chalky plaster? Powdery

6	2	1	RM0103	Shotgun shell			copper end, missing plastic tube; embossed on end: "U.M.C./ CLUB"; small amount of wadding
6	2	1	RM0102	Brass/copper cartridge	gray	.32	whole, embossed on end: "USC..."
6	2	1	ZM1301	Cast iron, unidentified	brown	chunk	small chunk of UID cast iron
6	2	2	MZ0101	Material, unidentified	green	chunks	possibly mortar or plaster green with mold etc.??
6	2	1	KM0322	Engraved brass cap	brass		small brass (or copper alloy) cap; linear molding
6	2	5	KG0306	Bottle, amber bottle glass	amber	body	one has mold marks, one is a flake
6	2	1	KG0304	Bottle, aqua bottle glass	aqua	body	
6	2	2	KG0301	Bottle, colorless bottle glass	colorless	body	one looks frosted, but it might be patina, this one might be tableware
6	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
6	2	1	ZG0903	Chimney globe, crimped edge, machine made	colorless	rim	fairly thick walled
6	2	6	ZG0904	Glass lamp body	colorless	body	
6	2	35	AG0301	Window glass, sized	light aqua, colorless	body	one is a rim
6	2	3	AC0120	Brick, handmade	orange, grey	chunks	two look like Savannah greys, one is orange
6	2	8	AR0108	Mortar	gray	chunks	

Test Unit	Level	Number	Code	Description	Color	size	Notes
6	2	15	KF0104	Shell, oyster	white	whole, partial	
6	2	1	AR0110	Tabby	gray		whole oyster shell with traces of tabby
6	2	3	MZ0101	Material, unidentified	gray		rubber-like synthetic? Bar-shaped, a handle? At least two pieces seems to mend
6	2	1	MZ0101	Material, unidentified	black		graphite? Round, not entirely smooth; writes in black, gets shiny when you write with it
6	2	1	AR0104	Concrete	grey	chunk	very small piece, looks like the concrete on
6	2	1	MM9903	Slag	polychrome	chunk	
6	2	1	MZ0101	Material, unidentified	green, white, gray	chunk	very small piece. UID. Concrete with paint? Concrete with mold?
6	2	29	AF0107	Wood, architectural	black, brown	chunk	burned wood, no distinct architectural features, but does not look like roots
6	2	2	MZ0101	Material, unidentified	black	chunk	one looks like asphalt, other is flat and "flaky" looking; UID; burned material?
6	2	1	AM1714	Hinge, iron, unidentified		whole	door hinge, rectangular, holes for screws, heavy, heavily corroded
6	2	5	AM0601	Nail, cut			heavily corroded
6	2	58	AM0699	Nail, cut, fragment			heavily corroded
6	2	15	AM1101	Nail, wire common			heavily corroded
6	2	19	AM1199	Nail, wire common, fragment			heavily corroded
6	2	43	AM1507	Nail fragment, unidentified			heavily corroded
6	2	6	MM9901	Iron fragment, unidentified			heavily corroded
6	2	1	ZM1211	Wire			heavily corroded, thin wire
6	2	5	AM1730	Roofing tin			heavily corroded, thin, flat metal, some folded
6	2	3	MM9901	Iron fragment, unidentified			two pieces are slightly curved and have a channel; one piece almost looks like the end of a
6	2	3	AC0120	Brick, handmade	polychrome		two chunks have edges, traces of mortar; one may be Savannah grey
6	2	3	AR0108	Mortar	gray, red		large chunks of brick and mortar fused together
6	2	3	AR0108	Mortar	gray		sand mortar
6	2	1	AR0104	Concrete	light gray		concrete with some mortar on it?
