Test Unit	Level	#	Code	Description	Color	Size	Notes
1	1	3	KG0300	Bottle, light aqua bottle glass	light aqua	body	tiny sherds
1	1	11	KG0301	Bottle, colorless bottle glass	colorless	body	some are tiny sherds, one is nearly a base
1	1	1	KG0302	Bottle, dark green bottle glass	bright green	body	tiny sherd
1	1	10	KG0306	Bottle, amber bottle glass	amber	body	tiny sherd
1	1	3	KM0306	Can, metal	polychrome		at least two frags are from a purple soda can
1	1	5	MF0101	Coal	black	chunks	
1	1	1	MF0104	Wood, unidentified	brown		possibly architectural
1	1	1	MM9903	Slag	brown		flat, thin sherd of iron
1	1	5	MP9901	Plastic, unidentified	polychrome		
1	1	5	MZ0102	Modern miscellaneous	black		
1	1	25	MZ0102	Modern miscellaneous	red, black	chunks	thin, UID material
1	1	2	MZ0102	Modern miscellaneous	gray		
1	1	8	MZ0102	Modern miscellaneous	gray	chunk	architectural putty?
1	1	1	PM0120	Coin		whole	one penny, year 2000, some damage
1	1	1	PM0120	Coin		whole	"Islands Expressway/ Chatham County/ Ga/ One Fare"
1	1	3	ZF0608	Paper	brown	frag	newspaper fragments, has tennis scores
1	1	1	ZM1204	Washer			heavily corroded, iron washer
1	1	2	ZM1247	Screw			heavily corroded, two sizes
1	2	36	AC0121	Brick, machine made	polychrome	chunks	multi-sized, many types
1	2	30	AG0301	Window glass, sized	colorless and aqua		
1	2	3	AM0601	Nail, cut			three different sizes
1	2	3	AM0699	Nail, cut, fragment			heavily corroded
1	2	18	AM1101	Nail, wire common			heavily corroded
1	2	10	AM1199	Nail, wire common, fragment			heavily corroded
1	2	27	AM1507	Nail fragment, unidentified			
1	2	1	AM1602	Large staple			
1	2	2	AP0103	Putty	gray	chunks	putty?
1	2	3	AR0103	Shell mortar	white	chunks	very small chunks, shell mortar?
1	2	11	AR0104	Concrete	gray	chunks	small chunks, seems to be from multiple sources

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	2	1	PZ0104	Jewelry parts	black	partial	glass "gemstone" broken on several edges
1	2	5	RM0102	Brass/copper cartridge	gray green	nearly whole	one is a little shorter than the others
1	2	1	TC0215	Tobacco pipestem, kaolin, unidentified size	white	frag	tiny frag
1	2	1	ZC0201	Flower pot, ceramic	terra cotta	rim	
1	2	1	ZC0302	Marble, ceramic	beige	whole	small porcelain marble, .45-.47 inches in diameter, not fully spherical
1	2	4	ZF0608	Paper	polychrome		small portions of newspaper
1	2	1	ZM1204	Washer	gray	whole	small copper washer, patina
1	2	1	ZM1208	Iron flat strip	black	partial	thin iron strip, black plastic around it
1	2	1	ZM1211	Wire			very thin, heavily corroded
1	2	6	ZR0302	Slate, unidentified	gray	frags	
1	3	2	AC0103	Tile, utility pipe	brown	body	
1	3	9	AC0121	Brick, machine made	red	chunks	variety of brick, some Savannah grays
1	3	115	AG0301	Window glass, sized	colorless, aqua	body	
1	3	13	AM0601	Nail, cut			heavily corroded
1	3	42	AM0699	Nail, cut, fragment			heavily corroded
1	3	12	AM1101	Nail, wire common			heavily corroded
1	3	26	AM1199	Nail, wire common, fragment			heavily corroded
1	3	87	AM1507	Nail fragment, unidentified			heavily corroded
1	3	1	AM1714	Hinge, iron, unidentified	brown		possible cast iron, heavy but short hinge. Small door?
1	3	23	AM1730	Roofing tin	brown		folded flat iron, looking like roofing material joints
1	3	7	AR0108	Mortar	tan		sand-based
1	3	1	AR0201	Architectural stone	white		chalky, sandy white stone, possible dressed edges
1	3	1	AR0201	Architectural stone	dark gray	chunk	very heavy,
1	3	1	CC0101	Button, porcelain	white	nearly whole	seems to be a shank button with the shank broken off, concentric circle design on front, 10mm
1	3	1	CC0101	Button, porcelain	white	whole	four hole Prosser button, 10mm
1	3	2	CF0599	Cloth, unidentified	gray		thick, extremely dirty

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	3	2	CM0250	Button, iron/steel	brown		possible buttons, too heavily corroded to ID further
1	3	1	CM0302	Buckle	brown		D-shaped buckle, heavily corroded iron, belt-sized
1	3	1	FC0103	Caster wheel, porcelain	white	half	wheel, possible caster wheel. White porcelain, plain
1	3	2	KC0113	Porcelain, decal	white, green	body	white background, green floral decal, hollowware, delicate
1	3	1	KC0113	Porcelain, decal	white, polychrome	rim	large sherd, hollowware, floral decal
1	3	6	KC0114	Porcelain, English hard-paste	white	base	plain white, two have some light molding
1	3	1	KC0114	Porcelain, English hard-paste	white, blue	body	annular decoration: blue is visible, another line is a ghost image. Very small sherd.
1	3	1	KC0114	Porcelain, English hard-paste	white, gray	rim	hollowware, gray design inside (burned?) iron encrusted on, thin walled
1	3	1	KC0114	Porcelain, English hard-paste	white	body	hollowware, annular design, burned, piece of handle attached to side, probable tea cup, thick walled
1	3	2	KC0114	Porcelain, English hard-paste	gray	body	burned
1	3	1	KC0114	Porcelain, English hard-paste	white	UID form	small sherd, handle?
1	3	1	KC0114	Porcelain, English hard-paste	white	UID	delicate, two small rods crossed, broken, handle? Decorative item? Very small
1	3	31	KC0114	Porcelain, English hard-paste	white	body	plain white, some scratched and worn
1	3	2	KC0114	Porcelain, English hard-paste	white	body	thin walled, hollowware
1	3	1	KC0114	Porcelain, English hard-paste	white	base	transferprint maker's mark: "S.../Karisb..../AUSTR..."
1	3	5	KC0114	Porcelain, English hard-paste	white	rim	hollowware
1	3	1	KC0301	Brown salt glazed	brown	rim	worn outside, no glaze inside, probable jar
1	3	2	KC0301	Brown salt glazed	brown	body	large sherds, salt glaze outside, brown slip/oxide wash inside
1	3	1	KC0304	Bristol slipped	white	body	maker's mark stamped on side, partial: "...ENTE..."
1	3	1	KC0305	Albany slipped (stoneware)	brown	base	Albany slip inside and out, large jar
1	3	36	KC0305	Albany slipped (stoneware)	brown	body	Albany slip inside and out
1	3	1	KC0305	Albany slipped (stoneware)	brown	body	small sherd, UID, possible utility pipe
1	3	1	KC0305	Albany slipped (stoneware)	brown	body	Albany slip on outside (worn), nothing on inside
1	3	1	KC0305	Albany slipped (stoneware)	brown	handle	very large

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	3	1	KG0301	Bottle, colorless bottle glass	colorless	base	vertical linear design, possible condiment bottle
1	3	2	KG0301	Bottle, colorless bottle glass	colorless	neck	
1	3	1	KG0301	Bottle, colorless bottle glass	colorless	body	embossed design: "...OL" very thin walled vessel
1	3	1	KG0301	Bottle, colorless bottle glass	colorless	base	small, probable vial, possible pontil scar
1	3	1	KG0301	Bottle, colorless bottle glass	colorless	base	thin walled. Possible cup?
1	3	8	KG0301	Bottle, colorless bottle glass	colorless	base	different sizes
1	3	1	KG0301	Bottle, colorless bottle glass	colorless	body	embossed letters: "...ME.../...N.../...AV..." Bottom word is probably Savannah
1	3	1	KG0301	Bottle, colorless bottle glass	colorless	body	UID design
1	3	1	KG0305	Bottle, cobalt blue bottle glass	cobalt	base	embossed letters: "...APR", light blue
1	3	1	KG0305	Bottle, cobalt blue bottle glass	cobalt	body	embossed letters: "EMERSON.../ DRUG C.." possibly CO.
1	3	4	KG0305	Bottle, cobalt blue bottle glass	cobalt	body	one is light blue
1	3	1	KG0306	Bottle, amber bottle glass	amber	body	crackled amber glass with a layer of rusted iron, UID item
1	3	1	KG0306	Bottle, amber bottle glass	amber		lightly burned
1	3	45	KG0306	Bottle, amber bottle glass	amber	body	variety of shades and levels of wear
1	3	7	KG0306	Bottle, amber bottle glass	amber	UID	melted
1	3	1	KG0404	Glass bottle stopper	colorless	whole	found fitted in cobalt bottle neck, fits without cork
1	3	1	KG0404	Glass bottle stopper	colorless	partial	probable bottle stopper, only small portion of shaft
1	3	19	KG0501	Tableware, probably, clear curved glass	colorless	body	one has some line or it (originally white?)
1	3	1	KG0501	Tableware, probably, clear curved glass	colorless	body	linear design, thick walled vessel
1	3	1	KG0507	Tableware, glass cup/mug	colorless	handle

1	3	33	MM9901	Iron fragment, unidentified	brown		
1	3	4	MM9902	Metal, non iron/steel, unidentified	green		tiny frags of corroded copper alloy
1	3	1	MM9902	Metal, non iron/steel, unidentified	gray		lead alloy, squashed tube shaped, heavily corroded
1	3	1	MM9902	Metal, non iron/steel, unidentified	green		copper alloy, flat metal, originally T-shaped, some iron and carbon rusted on too.
1	3	1	MM9902	Metal, non iron/steel, unidentified	gray, green		copper tube, squashed, heavily corroded
1	3	1	MM9902	Metal, non iron/steel, unidentified	gray	partial	copper alloy bar, layered, UID
1	3	11	MM9903	Slag	gray		large chunks
1	3	15	MM9903	Slag	gray		
1	3	3	MZ0102	Modern miscellaneous	black		thin iron strips, wrapped in black plastic, crumbling
1	3	1	PC0104	Doll part, porcelain	white	head?	unglazed, molded porcelain, possible doll part, doll head?
1	3	1	PR0102	Slate pencil	gray	partial	broken on both ends, thin
1	3	2	ZC0201	Flower pot, ceramic	terra cotta	body	thin walled
1	3	1	ZF0608	Paper	black and white		small scrap of newspaper
1	3	1	ZG0903	Chimney globe, crimped edge, machine made	colorless	rim	
1	3	1	ZM0622	Spark plug	brown		heavily corroded, probable spark plug
1	3	1	ZM0915	Battery carbon core	gray	partial	carbon battery core, broken both ends
1	3	1	ZM1201	Bolts	brown		massive bolt (railroad spike size), threading, round shank, square head
1	3	1	ZM1201	Bolts	green	whole	tiny eye bolt, copper, patinaed but not too much
1	3	3	ZM1211	Wire	brown		
1	3	153	ZM1232	Sheet iron/steel	brown		some are iron strips, but most are small thin fragments, possible roofing material
1	3	1	ZM1235	Lead scrap	gray		irregular shape
1	3	1	ZM1247	Screw			heavily corroded

1	3	29	ZR0302	Slate, unidentified	gray		different thicknesses and colors, some finished and some not
1	3	1	ZR0302	Slate, unidentified	gray		iron and rust concretion/staining
1	3	1	ZR2474	Flake, unspecified	gray		blocky, chert
1	3	1	ZR2474	Flake, unspecified	gray		small flake,
1	4	2	AC0103	Tile, utility pipe	brown	body	
1	4	22	AC0120	Brick, handmade	reds, orange	chunks	variety of brick present, one is glazed, some Savannah gray
1	4	1	AC0120	Brick, handmade		chunk	very small chunk, possible Savannah gray
1	4	65	AG0301	Window glass, sized	light aqua, colorless	body	
1	4	7	AM0601	Nail, cut			heavily corroded, very different sizes
1	4	6	AM0699	Nail, cut, fragment			heavily corroded
1	4	6	AM1101	Nail, wire common			heavily corroded
1	4	9	AM1199	Nail, wire common, fragment			heavily corroded
1	4	10	AM1507	Nail fragment, unidentified			heavily corroded
1	4	1	AM1719	Hardware, unidentified			bracket, cast iron, UID, heavily corroded
1	4	1	AM1730	Roofing tin			chunk of roofing tin, folded joint
1	4	3	AR0108	Mortar	gray, tan	chunks	sand based mortar
1	4	1	AR0201	Architectural stone	gray		some dressed sides
1	4	1	CC0101	Button, porcelain	white	half	four-hole Prosser style button, .42" or 11mm, half
1	4	1	CC0101	Button, porcelain	white	mostly whole	probable shank, that part is broken off, 3mm
1	4	1	CM0303	Eyelet			iron and white metal present. Part of shoe? Corset?
1	4	4	CM0331	Shoe parts, other			rand: metal edge of shoe with rivets, one definite, three probables
1	4	1	KC0105	Porcelain, plain	white	body	lightly burned, glaze is gray speckled and rough, probable soft paste based on UV analysis
1	4	2	KC0105	Porcelain, plain	white	body	hollowware, one thick, one relatively thin, soft paste porcelain
1	4	1	KC0112	Porcelain, unidentified	gray	rim	burned, thin walled hollowware

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	4	1	KC0112	Porcelain, unidentified	black	rim	heavily burned and warped, now black glaze, white paste
1	4	1	KC0113	Porcelain, decal	white, green	rim	tiny sherd, worn, green design
1	4	1	KC0113	Porcelain, decal	white, red	body	red line (decal)
1	4	1	KC0114	Porcelain, English hard-paste	white, red	body	tiny amount of red paint on sherd. Possible geisha girl
1	4	2	KC0114	Porcelain, English hard-paste	white	rim	one is extremely thin and small, other is hollowware
1	4	5	KC0114	Porcelain, English hard-paste	white	body	
1	4	3	KC0114	Porcelain, English hard-paste	white	rim	some embossed designs, too small to determine what designs
1	4	3	KC0114	Porcelain, English hard-paste	white	base	slight rings in base indicate these are flatware bases
1	4	6	KC0114	Porcelain, English hard-paste	white	body	thin walled, all but one is lightly burned, some are iron stained
1	4	1	KC0224	Rhenish purple, blue, and gray	gray	body	thin walled, UID
1	4	1	KC0304	Bristol slipped	white	body	Bristol slip on both sides
1	4	2	KC0305	Albany slipped (stoneware)	brown	body	
1	4	14	KC0305	Albany slipped (stoneware)	brown	body	
1	4	2	KC0306	Alkaline glazed	browns	body	
1	4	2	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	gray, brown	body	gray and brown salt glaze, small sherds
1	4	15	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	gray, brown	body	one has iron staining, one has part of a handle attached
1	4	4	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	buff, brown	body	buff salt-glazed and brown oxide inside, one sherd has a tiny portion of a handle on it
1	4	3	KC0501	Ironstone, plain blue tinted stone china	white	rim	all different, all hollowware, one is light gray

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	4	1	KC0501	Ironstone, plain blue tinted stone china	white	handle	handle for cup or mug, medium size
1	4	1	KC0501	Ironstone, plain blue tinted stone china	gray	base	flatware, black transferprint maker's mark: "...RANITE", took pic
1	4	1	KC0501	Ironstone, plain blue tinted stone china	white	body	
1	4	1	KC0501	Ironstone, plain blue tinted stone china	white	base?	small sherd, possible embossing, yellow/green pooling in the glaze, UID design or part of base?
1	4	1	KC0501	Ironstone, plain blue tinted stone china	white	base	flatware, lots of iron staining,
1	4	27	KC0501	Ironstone, plain blue tinted stone china	white	body	some thick walled, some thin, several are lightly burned
1	4	1	KC0501	Ironstone, plain blue tinted stone china	gray	rim	flatware, lightly burned
1	4	1	KC0504	Ironstone or White granite, molded/embossed	light gray	body	linear embossed design, lightly burned and worn on the outside, hollowware, thin walled
1	4	3	KC0700	Whiteware, plain	white	body	
1	4	2	KC0700	Whiteware, plain	white	rim	hollowware
1	4	1	KC0701	Whiteware, indeterminate decoration	white	body	probable hand painted, but possible transferprint
1	4	1	KC1500	Majolica	blue	rim	flatware, cobalt blue, worn glaze, possible Victorian majolica, definitely earthenware
1	4	1	KC2309	Transfer print, stippled, brown underglazed pearlware	white, brown	body	small sherd, brown stippled transferprint
1	4	1	KC2801	Yellowware, plain	yellow	rim	thick-walled, large hollowware,
1	4	1	KC2809	Earthenware, Rockingham glaze on buff paste	brown	body	tiny sherd
1	4	1	KC9901	Indeterminate ceramic	brown, gray	body	small, unglazed, UID
1	4	1	KC9902	Burned ceramic body, unidentified	gray, blue	body	UID
1	4	1	KC9902	Burned ceramic body, unidentified	black	body	black glazed, earthenware, UID

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	4	2	KC9902	Burned ceramic body, unidentified	gray	rim	probable Ironstone
1	4	4	KC9902	Burned ceramic body, unidentified	gray	body	possible Ironstone
1	4	1	KC9902	Burned ceramic body, unidentified	gray	base	probable Ironstone
1	4	2	KF0101	Bone, unidentified	white, gray	fragment	small frags of burned bone
1	4	3	KF0101	Bone, unidentified	tan	frags	one is very small long bone (rodent), some iron staining
1	4	15	KF0101	Bone, unidentified	tan	fragments	some cut marks, various sizes and types,
1	4	1	KF0101	Bone, unidentified	white	frag	possible burned bone,
1	4	29	KF0104	Shell, oyster	white		mostly very small fragments, powdery and decaying
1	4	4	KG0182	Milk Glass	white	body	three are probably from a paneled bottle, one is curved/round
1	4	1	KG0182	Milk Glass	white	base	mold marks
1	4	1	KG0227	Bottle, paneled	colorless	body	embossed letters: "...TOILET". Possibly HOLMES' FRAGRANT//FROSTILLA//FOR THE TOILET Fike 1987:166, Lotion
1	4	1	KG0227	Bottle, paneled	aqua	base	
1	4	1	KG0227	Bottle, paneled	colorless	body	embossed letters: "...OR..."
1	4	1	KG0227	Bottle, paneled	colorless	body	
1	4	1	KG0231	Bottle, amethyst /Manganese decolorized glass	light purple	body	
1	4	1	KG0232	Bottle, fine lipping tool finish	colorless	rim, neck	Patent finish, likely pharmaceutical bottle
1	4	1	KG0232	Bottle, fine lipping tool finish	colorless	rim	double ring finish, possible fine lipping tool finish, very small
1	4	1	KG0232	Bottle, fine lipping tool finish	colorless	rim	bead finish, probable fine lipping tool finish
1	4	1	KG0232	Bottle, fine lipping tool finish	colorless	rim	patent finish,
1	4	1	KG0232	Bottle, fine lipping tool finish	colorless	rim	possible cap seat finish, but no mold marks and only slight platform on the inside
1	4	1	KG0232	Bottle, fine lipping tool finish	aqua	rim	blob top, likely soda water bottle

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	4	1	KG0243	Bottle, Owen's scar bottle	aqua	base	oval(ish) shaped base, possible Owen's scar (very thick scar)
1	4	1	KG0253	Bottle, applied finish	olive	rim	Packer finish,
1	4	1	KG0253	Bottle, applied finish	light aqua	rim	closest to straight brandy finish, probably applied,
1	4	1	KG0299	Bottle, amber/olive green glass	olive	body	embossed on side: "J..." possibly Jo
1	4	4	KG0299	Bottle, amber/olive green glass	olive	base	
1	4	73	KG0299	Bottle, amber/olive green glass	olive	body	many shades of olive and levels of wear. Probably many different ages
1	4	1	KG0299	Bottle, amber/olive green glass	olive	body	
1	4	1	KG0300	Bottle, light aqua bottle glass	aqua	base?	melted
1	4	1	KG0300	Bottle, light aqua bottle glass	aqua	base	possible three-piece mold
1	4	2	KG0300	Bottle, light aqua bottle glass	aqua	base	
1	4	1	KG0300	Bottle, light aqua bottle glass	aqua	body	sherd has several smooth edges. Worn? Base?
1	4	1	KG0300	Bottle, light aqua bottle glass	aqua	base	embossed on base: "...O" could be beginning or end of word, depending on which way you hold it
1	4	2	KG0301	Bottle, colorless bottle glass	colorless	base	one thick-walled, one thin walled
1	4	154	KG0301	Bottle, colorless bottle glass	colorless	body	
1	4	3	KG0301	Bottle, colorless bottle glass	colorless	body	embossed linear design.
1	4	1	KG0301	Bottle, colorless bottle glass	colorless	body	embossed letters: "...Sl..." or "...IS..."
1	4	3	KG0301	Bottle, colorless bottle glass	colorless	base?	either bases or paneled bottle
1	4	3	KG0304	Bottle, aqua bottle glass	dark aqua	body	
1	4	27	KG0306	Bottle, amber bottle glass	amber	body	one is very melted
1	4	1	KG0503	Tableware, goblet base	colorless	base	goblet base, no mold marks
1	4	2	KG0508	Tableware, glass tumbler	colorless	base	seems to be paneled tumblers, different patterns
1	4	1	KM0311	Screw cap/top		partial	heavily corroded, metal cap, unknown if threaded, too small and eroded
1	4	1	KM0312	Lids, other, metal			heavily corroded
1	4	32	MF0101	Coal	black, gray		some is slightly burned
1	4	56	MF0101	Coal	black

1	4	1	MG0101	Glass, unidentified	gray	flake	flake/frag of heavily patinaed glass?
1	4	92	MM9901	Iron fragment, unidentified		frag	mostly small chunks of flat, thin sheet iron, possible roofing tin, heavily corroded
1	4	2	MM9901	Iron fragment, unidentified			two thick chunks of heavily rusted iron. One is light and one is heavy with a large amount of slag incorporated into the iron
1	4	3	MM9901	Iron fragment, unidentified	brown		mostly heavily corroded iron with some coal and slag rusted into it
1	4	1	MM9902	Metal, non iron/steel, unidentified	green		tiny frag, possible metal cap with threading, copper alloy
1	4	3	MM9902	Metal, non iron/steel, unidentified	gray, green		copper alloy strips, some folded, one shaped irregularly
1	4	22	MM9903	Slag	gray		
1	4	32	MM9903	Slag	gray		
1	4	1	PF0104	Toothbrush, bone	tan	partial	partial head, no handle present
1	4	1	PP0103	Comb, plastic	black	partial	section of prongs and small amount of design left, probably not enough to make a specific ID
1	4	1	ZC0201	Flower pot, ceramic	terra cotta	rim	
1	4	1	ZC0201	Flower pot, ceramic	terra cotta	body	
1	4	4	ZG0904	Glass lamp body	colorless	body	
1	4	1	ZM1204	Washer		partial	thick, heavily corroded
1	4	18	ZM1208	Iron flat strip			iron straps in different widths, at last one has a rivet, some could be part of roofing tin, heavily corroded
1	4	1	ZM1211	Wire			heavily corroded
1	4	21	ZR0302	Slate, unidentified	gray	frag	different thicknesses, some smooth sides
1	5	1	AC0103	Tile, utility pipe	brown	body	large pipe
1	5	2	AC0103	Tile, utility pipe	brown	body	very small amount of glaze, probable pipe, very rough ceramic
1	5	24	AC0120	Brick, handmade	red, orange	chunks	different types represented
1	5	1	AC0121	Brick, machine made	red	bat	
1	5	1	AC0199	Brick, unspecified	gray	bat	specialized brick, thin, paneled, lightly glazed
1	5	10	AC0199	Brick, unspecified	yellow		coarse, yellow brick, some corners

1	5	3	AM1101	Nail, wire common			heavily corroded
1	5	11	AM1507	Nail fragment, unidentified			heavily corroded, varied sizes
1	5	1	AM1718	Key	gray	whole	skeleton key, brass, some concretion
1	5	23	AM1730	Roofing tin			heavily corroded, all small pieces, some folded, possible roofing tin
1	5	3	AR0108	Mortar	gray		sand mortar, some thick
1	5	1	CC0101	Button, porcelain	white	partial	best guess it's a button with a missing shank, also could be a handle or other applied part to a porcelain vessel
1	5	1	KC0114	Porcelain, English hard-paste	white	base	hollowware,
1	5	1	KC0114	Porcelain, English hard-paste	white	rim	very thin walls, hollowware, delicate
1	5	1	KC0114	Porcelain, English hard-paste	white	rim	embossed curvilinear design along rim, very straight sided cup/mug
1	5	1	KC0114	Porcelain, English hard-paste	white	body	flatware
1	5	3	KC0305	Albany slipped (stoneware)	brown	body	
1	5	1	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	brown	body	brown salt glaze version
1	5	1	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	brown, tan	body	buff salt glaze version
1	5	1	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	brown, gray	body	
1	5	1	KC0399	Stoneware, unidentified	gray	body	probably gray salt glazed, very worn, no apparent glaze on inside.

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	6	11	MM9901	Iron fragment, unidentified			heavily corroded, mostly thin iron sheets, some thin strips
1	6	1	PF0106	Bone needle case	tan		two parts that screw into each other, then screws into something else, probably the needle case
1	6	1	ZC0302	Marble, ceramic	white	whole	pock-marked from use
1	6	1	ZM1211	Wire			heavily corroded
1	7	14	AC0121	Brick, machine made	red/pink	chunks	small chunks, varied types present
1	7	5	AG0301	Window glass, sized	light aqua		
1	7	8	AM0601	Nail, cut			heavily corroded, some are bent
1	7	10	AM0699	Nail, cut, fragment			heavily corroded, two are bent
1	7	20	AM1101	Nail, wire common			heavily corroded, some bent, varied sizes and types
1	7	4	AM1199	Nail, wire common, fragment			heavily corroded
1	7	7	AM1507	Nail fragment, unidentified			heavily corroded
1	7	1	AM1719	Hardware, unidentified			heavily corroded, three holes for nail/screw attachment
1	7	2	AM1730	Roofing tin			heavily corroded
1	7	20	AM1730	Roofing tin			fairly corroded, large pieces
1	7	1	AM1730	Roofing tin			heavily corroded, folded possible roofing tin,
1	7	9	CM0303	Eyelet	dark gray		brass eyelets with some fabric (probably leather) attached, probable shoe eyelets, all same size/shape, probably 7 eyelets total
1	7	9	KF0101	Bone, unidentified	tan	partial	heavy, large bone with cut marks; smaller, thinner bone is fragmented and some worn
1	7	1	KG0299	Bottle, amber/olive green glass	olive	body	small sherd
1	7	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	small sherd
1	7	5	KG0301	Bottle, colorless bottle glass	colorless	body	small sherds
1	7	1	KM0301	Crown cap			heavily corroded
1	7	16	MF0101	Coal	black		
1	7	11	MM9901	Iron fragment, unidentified			heavily corroded, mostly thin pieces some strips
1	7	1	MM9901	Iron fragment, unidentified			possible cast iron, small UID piece
1	7	1	MM9903	Slag	gray

1	7	1	ZG0904	Glass lamp body	colorless	body	
1	7	1	ZM1211	Wire			heavily corroded, possible thin handle, thicker wire
1	7	7	ZM1211	Wire			heavily corroded, thin iron wire, some twisted and bent
1	7	1	ZM1247	Screw	green	partial	heavy screw, missing pointy end, brass
1	7	2	ZM1247	Screw			heavily corroded
1	8	1	AC0120	Brick, handmade	red	bat	Savannah gray, half brick
1	8	9	AC0121	Brick, machine made	red, orange	chunks	several types present
1	8	8	AG0301	Window glass, sized	light aqua	body	
1	8	3	AM0601	Nail, cut			heavily corroded
1	8	12	AM0699	Nail, cut, fragment			heavily corroded
1	8	9	AM1101	Nail, wire common			heavily corroded, some bent, various sizes
1	8	3	AM1199	Nail, wire common, fragment			heavily corroded
1	8	11	AM1507	Nail fragment, unidentified			heavily corroded
1	8	1	AM1717	Door hardware, other			heavily corroded, probable Cremone Bolt
1	8	1	AM1724	Hardware, identified			gutter hook, heavily corroded
1	8	11	AM1730	Roofing tin			heavily corroded, small pieces, possibly scraps
1	8	1	KC0114	Porcelain, English hard-paste	white	body	plain, hollowware
1	8	1	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	gray, brown	body	gray salt glazed, albany inside
1	8	1	KC0501	Ironstone, plain blue tinted stone china	white	rim	hollowware
1	8	1	KC0620	Cream Colored (C.C.) Ware, plain	white	body	very small sherd, cc-ware, possible flatware,
1	8	1	KC1295	Coarse earthenware	brown	body	very coarse ew, brown lead glaze, similar to other levels
1	8	1	KC1295	Coarse earthenware	brown	body	coarse brown earthenware, brown lead glaze

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	8	1	KC2310	Transfer print, stippled, red, green, purple, black underglaze	green	body	green transferprint, looks like a tower, small sherd; partial maker's mark on back, UID green transferprint, lots of crazing and some very difficult to read letters, possibly starts with L
1	8	1	KC2311	Transfer print, stippled, flowing colors underglazed	blue	rim	possible floral design, flow blue, hollowware
1	8	6	KF0101	Bone, unidentified	tan		large bones, come cut marks
1	8	1	KG0227	Bottle, paneled	amber	body	paneled bottled, embossed letters: "...N"
1	8	1	KG0299	Bottle, amber/olive green glass	olive	base	
1	8	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	fairly thin walled
1	8	1	KG0301	Bottle, colorless bottle glass	colorless	body	embossed numbers: "...3...", funky font, small sherd,
1	8	5	KG0301	Bottle, colorless bottle glass	colorless	body	
1	8	1	KG0301	Bottle, colorless bottle glass	colorless	base	embossed on base: "WILLIAMS", concentric circles around letters that are possibly a manufacturing mark
1	8	2	KG0306	Bottle, amber bottle glass	amber	body	small sherds, one is amber/olive
1	8	1	KG0503	Tableware, goblet base	colorless	base	goblet base, heavily worn
1	8	8	MF0101	Coal	black		
1	8	1	MF0104	Wood, unidentified	brown		small chunk, UID, probably natural
1	8	1	PR0102	Slate pencil	gray	partial	thin slate pencil, non-writing end is present
1	8	1	ZM0915	Battery carbon core	black	whole	
1	9	4	AC0120	Brick, handmade	red	chunk	tiny chunks, probable Savannah grays
1	9	1	AM1507	Nail fragment, unidentified			heavily corroded, small nail
1	9	2	KF0101	Bone, unidentified	tan		small fragments
1	9	1	KG0217	Bottle, post bottom mold bottle glass	light aqua	base	"CC Co" maker's mark on the base, see research paper by C. Caster,
1	9	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	embossed on side: "...T.." possibly TS, thin walled
1	9	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	embossed on side in circle: "...ADE M..." some letters above, not enough to determine what they are, medium thick walls

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	9	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	embossed on side: "...OR.../ BE..." some UID partial letters too, thin walled
1	9	4	KG0300	Bottle, light aqua bottle glass	light aqua	body	
1	9	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	embossed on side: "...76", has side mold seam, thick walled
1	9	2	KG0300	Bottle, light aqua bottle glass	light aqua	base	nothing diagnostic
1	9	2	KG0301	Bottle, colorless bottle glass	colorless	body	
1	9	2	MM9901	Iron fragment, unidentified			heavily corroded, thin sheet metal, possible roofing tin
1	10	2	AC0120	Brick, handmade	red	chunks	Savannah gray
1	10	1	AR0108	Mortar	light gray	chunks	sand based mortar
1	10	1	KC0113	Porcelain, decal	white	body	hard paste porcelain, UID design
1	10	1	KC0397	Gray salt glazed outside, brown iron oxide wash or clay slip inside or brown clay slip	brown, buff	base?	albany glaze on one side, and buff salt glazed on other side
1	10	1	KC0700	Whiteware, plain	white	body	
1	10	4	KF0101	Bone, unidentified	tan		fragments of bone, UID
1	10	4	KG0300	Bottle, light aqua bottle glass	light aqua	body	
1	10	1	KG0300	Bottle, light aqua bottle glass	light aqua	base	
1	10	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	embossed on side: "...J.../ S..." possibly ...JE/ SB or ...JE/ SP
1	10	1	KG0301	Bottle, colorless bottle glass	colorless	body	
1	10	1	KG0304	Bottle, aqua bottle glass	dark aqua	body	
1	10	4	MF0102	Charcoal	black		burned wood and charcoal with many very tiny chunks
1	10	5	MM9901	Iron fragment, unidentified			heavily corroded, thin iron, possible metal cap or possible roofing tin
1	10	1	MZ0102	Modern miscellaneous	red, black		frag, UID modern, saw more higher up, possible roofing material? Red on one side and black on the other
1	11	3	AC0120	Brick, handmade	red	chunks	very small chunks, Savannah grays

Test Unit	Level	#	Code	Description	Color	Size	Notes
1	12	7	MM9903	Slag	gray		
2	1	1	AC0120	Brick, handmade	brown	chunk	very small, possible Savannah gray
2	1	2	AG0301	Window glass, sized	colorless	body	one has a finished side with some white paint (spillover from painting windows), one is small
2	1	1	AM1718	Key	brown	whole	modern key, brass, side 1: "TAYLOR USA E14" E14 is in a circle. Side 2: "FITS YIE 999N"
2	1	1	AR0108	Mortar	gray	chunk	thin, one side appears to be finished, sand based
2	1	1	AR0108	Mortar	white	chunk	very small, finely grained. Mortar?
2	1	2	KG0300	Bottle, light aqua bottle glass	light aqua	body	
2	1	2	KG0306	Bottle, amber bottle glass	amber	body	one has embossed texture, probably modern
2	1	5	MF0101	Coal	black	chunk	small
2	1	1	MM9901	Iron fragment, unidentified	brown	frag	too small to ever ID
2	1	1	MM9903	Slag	brown	chunk	small
2	1	1	MP9901	Plastic, unidentified	black	frag	thin, curved
2	1	1	MZ0102	Modern miscellaneous	blue	chunk	blue paint over metal? Small
2	1	5	MZ0102	Modern miscellaneous	black, gray	chunk	small UID chunks, maybe asphalt roofing tile?
2	1	1	MZ0102	Modern miscellaneous	gold, silver	chunk	metal, UID
2	1	1	ZG0302	Marble, glass, machine made	blue	whole	probably machine made, blue slightly swirled, some pock marks on it
2	1	1	ZM1213	Padlock	brown	frag	top part of padlock (loop that fits into base)
2	1	1	ZM1247	Screw	brown	partial	phillips head, missing point
2	2	6	AC0120	Brick, handmade	brown	chunk	small chunks, Savannah gray
2	2	6	AC0120	Brick, handmade	red	chunk	small chunks, more modern brick
2	2	9	AG0301	Window glass, sized	light aqua	body	
2	2	3	AM0601	Nail, cut	brown		two sizes, heavily corroded
2	2	8	AM0699	Nail, cut, fragment	brown		heavily corroded
2	2	16	AM1101	Nail, wire common	brown		many different sizes present, heavily corroded
2	2	15	AM1199	Nail, wire common, fragment	brown		heavily corroded
2	2	1	AM1602	Large staple	brown		heavily corroded
2	2	1	AM1719	Hardware, unidentified	brown		heavily corroded, looks like a large bolt with a hinge on end?
2	2	1	AR0104	Concrete	gray	chunk	non-porous, glazed, UID

2	2	2	AR0104	Concrete	gray	chunk	loose, crumbly
2	2	1	AZ0101	Modern building material	gray	chunk	UID, lightly burned stone?
2	2	2	KC0105	Porcelain, plain	white	rim	European hard paste, two different vessels
2	2	1	KC0398	Lead glazed, unidentified	brown	body	heavily utilitarian, looks like a utility pipe, but it's flat
2	2	1	KC0603	Creamware, green glazed molded	green, yellow	body	possibly Whieldon ware, green glazed creamware... small sherd
2	2	2	KC0700	Whiteware, plain	white	body	
2	2	1	KC2702	Refined earthenware, decal	white	body	decal only visible in raking light, tiny sherd
2	2	1	KC2702	Refined earthenware, decal	white	rim	UID decal, partial flower
2	2	3	KF0101	Bone, unidentified	tan	frag	small frags
2	2	5	KF0104	Shell, oyster	white	frag	becoming chalky, decomposing
2	2	1	KG0300	Bottle, light aqua bottle glass	light aqua	body	
2	2	27	KG0301	Bottle, colorless bottle glass	colorless	body	one is large piece that appears to be a pint of half-pint flask-shaped bottle
2	2	9	KG0302	Bottle, dark green bottle glass	bright green	body	
2	2	1	KG0306	Bottle, amber bottle glass	amber	flake	
2	2	17	MF0101	Coal	black	chunks	
2	2	1	MM9901	Iron fragment, unidentified	brown		possible crown cap
2	2	6	MM9901	Iron fragment, unidentified	brown		heavily corroded, small flat frags. One is nearly circular. One or two of these frags could be buttons, but way too corroded
2	2	5	MM9903	Slag	red, black	chunks	
2	2	1	MP9901	Plastic, unidentified	black	frag	plastic cylinder, plastic covering on wire?
2	2	1	MP9901	Plastic, unidentified	colorless	frag	modern plastic trash
2	2	1	MZ0101	Material, unidentified	red, black	frag	asphalt roofing material?
2	2	1	MZ0102	Modern miscellaneous	white	frag	possible plastic cap
2	2	1	MZ0102	Modern miscellaneous	gray	frag	plastic cap
2	2	1	MZ0102	Modern miscellaneous	gray	frag	rubber? Looks like a suction cup, perhaps a bath mat
2	2	2	MZ0102	Modern miscellaneous	blue	frag	plastic
2	2	1	RM0113	Bullet	gray	.22	lead bullet
2	2	2	ZC0201	Flower pot, ceramic	orange/pink	body	terra cotta flower pot
2	2	1	ZC0902	Porcelain electrical fuse	white	body	double check ID
